PARADE AND GREAT BOOSTER SESSION BY VETERANS

Big Time Is Assured for Tonight by Legionnaires Public to Attend

Buron Fitts, past state commander of the American Legion and reputed to be one of the best orators in Los Angeles county, will speak at 9 o'clock tonight in an open air meeting on Broadway, between Brand boulevard and Orange street on the subject of the American Legion.

The meeting tonight will be preceded by a parade of local legionnaires who will meet at 8 o'clock in front of the Elks' Clubhouse.

The membership drive of the local post of the American Legion and Auxiliary was discussed in American Legion Hall last night at a joint meeting. Broadway and Brand boulevard has been made the intersecting point for four divisions of the city.

In Charge of Canvass

Each will be canvassed under the direction of a legionnaire and a member of the auxiliary as follows: Dr. Gerhard Kaemmerling, 103A North Brand, and Miss Marion Jones, 376 West Lexington drive, northwest section; Atty. James F. McBryde, 111 East Broadway, and Mrs. Mitchell Frug, 123 North Kenwood street, northeast section; J. H. Wittmeyer, 200 East Broadway, and Mrs. E. U. Emery, 329 North Kenwood, southeast section; Gordon Clayton, 145 South Brand boulevard, and Mrs. Henry Prussing, 229 West Elk street, southwest section.

The auxiliary was well represented at the meeting and Mrs. Chalmers Day, its president, occupied the seat of honor recerved for her at the joint meeting.

The business session closed with a social hour which included dancing.

LEGION'S SHOW AT EAGLE ROCK IS SUCCESSFUL

Auxiliary Operates Cafeteria; Other News Notes of Community

Eagle Rock's American Legion is staging a successful "Cir-carn-e-show" this week-end, a combination of about all types of entertainment, including a dog show for the kiddies, vaudeville for the older folks and all sorts of feature attractions, such as country stores, etc.

The women's auxiliary of the Legion is operating a cafeteria in conjunction with the carnival, including some unusual dishes such as polenta, a prime Italian delicacy.

Sycamore lodge, a sanitarium, was reported to city authorities is operating without a permit in Eagle Rock and the health officer and city marshal have been ordered to notify Dr. Stewart of the city ordinance prohibiting such an institution.

Eagle Rock Community Players plan the presentation of the three-act comedy, "Belinda," early in July, it is announced by Mrs. Elgie Lowry Fischer, director.

Mrs. W. L. Nourse of 220 Valley drive has as her house guest her mother, Mrs. Cordelia A. Litchfield, who recently arrived from the east.

H. B. Curtis, city trustee, accompanied by his family, left today for a week at his cabin on Mount Baldy.

Mrs. W. R. Williams of West Ridgeway avenue is enjoying a visit from her son Bert of Fort Howard, Md., and in a few days both will go to St. Louis to join Mr. Williams.

Mr. and Mrs. A. W. Iliff arrived in Eagle Rock yesterday from Springfield, O. They will spend the summer at the Gilliland home on North Fairmont avenue.

Men of the Presbyterian congregation in Eagle Rock are using their Saturday afternoons to clean the lot, with Sunday school girls serving refreshments.

REPORTS REALTY SALES

Charles Kausen, realtor with office at 113 East Broadway, reports a reasonable amount of activity in the real estate business. During the past week, states Mr. Kausen, he has sold a two-story business block in the Highland Park district, a business lot in Eagle Rock, and has made several sales in Montrose.

GOV. SMALL ACQUITTED

WAUKEGAN, June 24.—Governor Small acquitted.

Noise Will Scare Burglars If They Don't Watch Out

A sound like 'steen wildcats rent the drowsy afternoon air, and the timid reporter started climbing the nearest tree.

After reaching a safe altitude he looked around to find that one of the police department cars had sneaked up behind him and let loose with a brand new siren.

It seems that the new and powerful siren had just been installed on the Dodge car driven by Detective Sergeants L. C. Stein and Royle, to try out its efficiency in keeping the streets clear for police and fire automobiles.

The thing certainly produces the desired effect, and it is understood that it is to be installed at once on all police and fire department cars.

As one of the city mechanics who installed the siren, said: "That noise will scare all the burglars out of Glendale."

WM. ROCKEFELLER DEAD AS RESULT OF PNEUMOINA

Brother of John D., Age 81, Ill Week; Just Finishes $250,000 Mausoleum

TARRYTOWN, N. Y., June 24.—The fortune of the late William Rockefeller was estimated today at from $150,000,000 to $200,000,000. The bulk of his estate is understood to consist of Standard Oil securities.

TARRYTOWN, N. Y., June 24.—William Rockefeller, brother of John D. Rockefeller, died here early today of pneumonia. He was in his 81st year. He was taken ill last Sunday. He rapidly became worse and five physicians were called into consultation. The family was at the bedside. John D. Rockefeller was not at the bedside when his brother died, but arrived at Rockwood hall (William's home), immediately afterward. He was kept informed of his brother's condition throughout the night.

Mr. Rockefeller had just completed a $250,000 mausoleum in Sleepy Hollow cemetery, which is the finest in the cemetery. Mr. Rockefeller was one of the most powerful and most noted capitalists in the United States. He was connected with a large number of corporations and his counsel is said to have carried more weight than any other business man in New York City. Despite his advanced age, his faculties were alert and normal. He was able to conduct business affairs up to his last illness.

He was interested in a number of railroads, gas companies and banks. Among the companies of which he was a director are the New York Central railroad, the Delaware, Lackawanna & Western railroad, the Consolidated Gas company and affiliated concerns, the Brooklyn Gas company and the Anaconda Copper company.

Mr. Rockefeller was ill at his Pocantico Hills estate, which is near the estate of John D. Despite the constant attention of specialists Mr. Rockefeller sank during the night, dying at 6:30 o'clock this morning.

Mr. Rockefeller was born in Richford, Tioga county, New York. He was the son of William Avery and Eliza Davison Rockefeller. He was educated at Oswego and began his business life as a bookkeeper. His fortune, like that of his brother, John D., was made in oil. He was married at Cleveland, Ohio, to Miss Almira Geraldine Goodsell in 1864. Mrs. Rockefeller died two years ago. At one time William Rockefeller was head of the Standard Oil company of New Jersey, the "parent" of the Standard group.

Congregationalists Picnicking Today

More than 200 members of the Congregational church and Sunday school are enjoying a picnic this afternoon at Brookside Park, Pasadena. Automobiles and an auto bus left the corner of Central avenue at 1:30, taking the picnickers to the park.

O. E. Van Oven, superintendent of the Sunday school, is in charge of the affair, with W. L. Jenks attending to the problem of transportation and E. D. Yard is in charge for the refreshments. The affair is a basket picnic, each party taking its own lunch.

No special program was provided, according to Rev. C. M. Calderwood, pastor of the church. The picnickers were to enjoy themselves as suited their inclinations, using the many facilities which the park affords for bathing and other entertainments. The lunch hour was set for 5 o'clock, and it was planned to return early in the evening.

UNIVERSAL TRAFFIC LAWS URGED BY POLICE CHIEFS

Col. J. D. Fraser Tells of National Convention In San Francisco

Col. J. D. Fraser, chief of police, last night returned from San Francisco where he was in attendance at the National Convention of Police Officials.

"It was one of the most interestiing conventions that I have ever attended," he asserted this morning. "There was lots of inspiration and I am sure that the convention did me lots of good. It will give me a chance to develop new channels for local police work.

"Traffic was given serious consideration. It was acknowledged that throughout the United States the traffic problem is getting to be one that is hard to cope with. However, it was agreed that it can only be handled in the different communities according to the conditions existing there. A committee was appointed to recommend universal traffic signals throughout the United States. The present system whereby every community has its own traffic signals was denounced.

Universal System

"Under the new plan, a motorist can drive into San Francisco and be under the same traffic signals that he was under in New York City. On account of the great loss of life, too much stress could not be placed upon the fact that the police department has to use every endeavor to cope with the traffic situation.

"It seems to be the general opinion that crime is increasing faster than the police can cope with it. All of the speakers were very strong on the idea that crime is being perpetrated in a scientific manner now and that we have to combat it with scientific police work. The use of the radio, the flying machine and every modern aid for police work was recommended.

Favor National Bureau

"That the United States Department of Justice should take over a national board of identification was further recommended.

(Continued on Page 12)

Mrs. H. H. Jepson Is Happily Surprised

Mrs. H. H. Jepson of 420 South Lincoln avenue was happily surprised at her home last night by a group of the members of the Broadway Parent-Teacher association, of which she has been a most active member for the past eight years. It was in appreciation of her work in that organization that the party was planned for her.

Those present included Mr. and Mrs. H. H. Jepson and daughters, Nellie and May, Mr. and Mrs. C. A. Vowlus and daughter Evelyn, Mrs. T. A. Lewis and son Kenneth, Mr. and Mrs. Ray C. Horner and daughters Virginia and Mabel, Mr. and Mrs. W. A. Kulp and daughters Wilma and Frances, Mr. and Mrs. A. J. Van Wie and sons Spencer and Edwin, Mr. and Mrs. James Kane and son Franklin, Mr. and Mrs. F. E. Wilkinson and son and daughter Francis and Ann Elizabeth, Mrs. V. G. Godfrey and children Billie and Dorothy, Mrs. E. A. Griffin, Mrs. Richard Martinez, Mrs. J. C. King and daughter Genevieve, Mr. and Mrs. J. F. Wilkes, Mrs. W. C. Reith and daughter Wilhelmina. A social evening was enjoyed and refreshments served.

One-Hour Parking Law Now Proposed

Dissatisfied with the repeal of the two-hour parking law in the business section, several Glendale merchants today are actively agitating the passage of a one-hour parking ordinance, declaring their business is suffering severely.

It is understood there are others who want it 15 minutes, more who want it two hours and the great majority of the automobile owners don't want any regulation. Perhaps the city council can find some happy solution in order that all may be satisfied, but the realty board and the merchants' association are at loggerheads as to just what is fair.

LOCAL ELKS DROP GAMES

Although the local Elk bowling teams returned from Long Beach last night with six straight games lost, they forgot the sting of defeat because of the hospitality shown by the Long Beach Elks. Sixty Glendale Elks, including the members of teams No. 1 and No. 2 made the Long Beach trip yesterday evening, and report that they were royally treated.

MRS. TIGHT VISITS BEACH

Mrs. Mabel L. Tight of 612 East Broadway went to Venice this morning to spend the week-end with her daughter, Mrs. A. C. Andressen.

Open Season for Political Petitions Is Now Under Way

SACRAMENTO, June 24.—With tomorrow the opening day for circulation of nominating petitions for the August primaries, California's political pot is already starting to boil.

It is an unwritten law of politics that the race for office begins on June 25, first day under the direct primary law on which nomination petitions may be circulated. In this respect, the present race is running true to form.

There was a mad scramble in the secretary of state's office today for petitions. Candidates for every state office from governor on down will start their battle for the favor of the electors tomorrow.

Persistent rumors were abroad here today that Governor W. D. Stephens would announce his candidacy for reelection before nightfall.

Friend W. Richardson is making a strong campaign for the Republican namination for governor.

LOCAL LADS LEAVE FOR CAMP LIFE AT CATALINA

Rex C. Kelley In Charge Of Band of Boys From This City

Rex C. Kelley, local Y. M. C. A. secretary, left this morning for the Y. M. C. A. camp at Catalina with a number of Glendale boys. The party arrived at the camp, which is located near Moonstone beach, in time for a big dinner which was waiting for them. They will return next Thursday evening.

Several features have been provided at the camp to insure the safety of the boys, their health and to bring out their better tendencies, according to Mr. Kelley. A regular program for each day has been arranged, to provide plenty of sleep and food, balanced exercise and a general good time without any danger of accidents which might occur if the camp life were not supervised by competent leaders.

"For instance," says Mr. Kelley, "certain periods for swimming are set, and no boy will be allowed to go in except at those times. They will take a dip before breakfast at 6:30, another at 11, and another at 4:30 in the afternoon. These swimming periods will be supervised by trained swimmers, and a life boat will patrol just beyond wading depth. All boys who cannot swim will receive lessons and personal attention at all times when in the water.

"Another thing," continues the local secretary, "heavy skiffs which are practically impossible to capsize have been provided for fishing. They will hold eight persons, so that each tent leader can take the seven boys in his tent on a fishing trip. Without the leaders, the boys will not be permitted to go out in the boats."

A physician will be at the camp, it is understood, and will care for the general health of the boys, and will treat any ailments or wounds which might be incurred.

Malcolm McIrvin Is Host on Birthday

Celebrating the eighth birthday of her son Malcolm, Mrs. A. B. McIrvin of 708 Orange Grove avenue, was hostess Wednesday afternoon at a merry children's party.

The Fourth of July colors were used in the decorations and favors, each little guest receiving a red, white and blue paper basket, filled with candy and decorated with an American flag. A birthday cake with eight shining candles was of course the chief feature of the afternoon.

A guessing game was also enjoyed, the prizes being won by Virginia Roeder, first; Bobby Allen, second; and Anita Weinstein, third.

Master Malcolm was the recipient of many gifts from his little friends.

Mrs. McIrvin was assisted by her mother, Mrs. C. H. Beesley of Catalina, Mrs. Fred Fishel, Mrs. Hugh Showalter and Mrs. Harry Weinstein of Glendale.

Those invited to help Malcolm celebrate his birthday were Bobbie Allen, Ruth and Ruby Coker, Helen Hock, Gordon Black, Virginia Roeder, Charlotte Black, Norman Axep, Donald Gilbertson, La Verne Gurnee, Edwin Fishel, Anita Weinstein, Billy Fleer, Irene Crouch, Joseph Oakes, Johnnie Marvel and Gerald Weger.

ENTERTAIN AT DINNER

Mr. and Mrs. O. S. Holiday of 345 West Lomita avenue were dinner guests last night at the Hollywood home of Mr. and Mrs. J. W. Hefferlin at 735 McCadden Place. After dinner a drive was taken through Laurel canyon.

CIVIC BETTERMENT MASS MEETING NEXT TUESDAY

Supervisor Henry Wright to Speak at Session of Men's Brotherhood

Supervisor Henry W. Wright is to be chief speaker next Tuesday evening at the dinner and civic betterment mass meeting, to be held at the Pacific Avenue Methodist Episcopal church, under the auspices of the Men's Brotherhood. The dinner is to be served at 6:30 o'clock and all women and men of voting age have been invited to the mass meeting at 8 o'clock in the church auditorium.

Supervisor Wright will speak on "Co-operation Between City and County Government." There will be no admission charged to the meeting.

Col. J. W. Everington, formerly chief of police of Los Angeles, will also be an honored guest.

Special Guests

Glendale officials and men of prominence, who have been invited are Mayor Spencer Robinson, Commander James McBryde of the local Legion post; C. B. Guthrie, chairman of the executive committee of the local Legion post; Judge F. H. Lowe, City Manager W. H. Reeves, Councilman Dwight W. Stephenson and A. H. Lapham; Dr. Henry Harrower, head of Harrower Institute; Chief of Police J. D. Fraser, Judge O. C. Emery, V. M. Hollister, president of the Glendale Chamber of Commerce; G. U. Moyse, principal of the Glendale Union High school; L. T. Rowley, representing the Glendale Grammar schools; Postmaster Ripley D. Jackson; C. D. Lusby, representing the State bank; R. F. Kitterman and E. M. Lee, representing the First National bank.

Special musical numbers will also be features of the after dinner hour, when there will be a series of impromptu speeches by the guests of honor. In announcing the dinner and meeting the officers of the Men's Brotherhood have placed special emphasis on the fact that the gathering is purely for civic betterment and is in no wise a political gathering.

Newlyweds Return, Given Pound Shower

Mr. and Mrs. W. A. Magill, who were married June 13 at the home of Dr. and Mrs. W. E. Magill at 457 Colorado street, have returned from a short trip to their new home at 616 South Pacific avenue, and last night they were honored with a "pound shower" at the home of Mr. and Mrs. D. A. Magill at 475 West Maple street.

Each guest presented the young couple with a pound of something in the grocery line and the pantry of the new home will be well filled with the gifts received.

During the evening games and music were enjoyed by the company, which included: Mr. and Mrs. W. A. Magill, Dr. and Mrs. W. E. Magill, Mr. and Mrs. S. M. Collum and daughter Dorothy, Mr. and Mrs. Walter Piper, Mr. and Mrs. W. C. Tyrrell, Mr. and Mrs. W. K. Flower, Mr. and Mrs. E. A. Magill and Mr. and Mrs. D. A. Magill.

Mrs. W. V. Reaben Is Bitten by Spider

Mrs. W. V. Reaben arrived yesterday morning from Memphis, Tenn., by way of the Southern Pacific, after a tedious journey during which she experienced many hours of delay owing to the floods in Texas, where detours of 700 miles from the regular route were made, causing a delay of fourteen hours in her arrival here.

At New Orleans, she was bitten on the hand by a spider and the wound became infected. Telegrams were sent ahead for a physician to meet the train in order that she might have proper medical attention and the injured member is now much better.

Mrs. Reaben was called east by the serious illness of her father and was pleased to leave him much improved in health. During her absence the family have leased and moved into the home of J. C. Bardsley, 344 Burchett street.

The Evening News Is 100 Per Cent for Local Institutions

Glendale is big enough to be deserving of representation by a daily newspaper whose loyalty is 100 per cent for Glendale institutions.

The Evening News, nine years a daily in Glendale, is not enclosed in, wrapped about or in any way connected with any other publication.

Today's World News In Brief

By International News Service to Glendale Evening News

IRISH REPUBLICANS DIE IN FIGHT WITH OFFICERS

BELFAST, June 24.—Four Irish Republicans were killed today in a battle with constables near Cusdenal, County Antrin. Several others were wounded. The constables were ambushed but fought so desperately that the attackers were put to flight.

PROCLAIM MARTIAL LAW IN BERLIN, IS REPORTED

LONDON, June 24.—Martial law has been proclaimed in Berlin, according to a special dispatch received by the Star from the German capital. A manifesto has been issued by the trade unions calling on the workers to resist a possible junker uprising, the dispatch said. The message also declared that police were chasing the assassins of Walter Rathenau in fast motor cars.

LABOR REFUSES TO ASK U. S. TO RECOGNIZE SOVIET

CONVENTION HALL, Cincinnati, June 24.—After a bitter fight the American Federation of Labor today refused for organized labor to ask the United States to recognize soviet Russia and establish trade relations. The verbal battle leading to the refusal enlivened the dying hours of the federation convention and unloosed a torrent of debate. The convention concluded its session this afternoon and adjourned.

YOUTHFUL BANDIT SHOOTS AND KILLS SALESMAN

KANSAS CITY, Mo., June 24.—A youthful bandit with a nervous trigger finger shot and killed Edward Meyers, 50, in the office of the Merchants' Delivery company here today. Meyers, a salesman, was in the office when two bandtis entered, and jumped from his chair. Without a word one of the bandits fired his automatic and Meyers fell dead. The bandits then turned and fled to a waiting automobile and escaped.

MISSIONARIES BRAVELY RETURNING TO POSTS

SHANGHAI, June 24.—The situation in Kiangsi province, where several thousand natives are reported to have been slain in a mutiny of Wu Pei Fu troops, was today much quieter, according to advices reaching here. One report said the fear of punishment due to the arrival of foreign gunboats caused the release of missionaries reported captured by the mutineers. Nanchang was reported in panic at the approach of 2,000 soldiers whose intentions were unknown. Chinese are still fleeing for safety but missionaries are reported bravely returning to their posts in the trouble zone.

ATTEMPT IS MADE TO PREVENT PICKETING MINES

INDIANAPOLIS, June 24.—In an attempt to prevent picketing of wagon mines in Knox county, Indiana, by striking union coal miners, attorneys for Clara Masson, owner of the Peacock mine, today filed in federal court here a temporary restraining injunction suit against the United Mine Workers of America, John L. Lewis, president of the national organization, and twenty-nine officials of District No. 11 of the United Mine Workers. The suit is the first of its kind filed in Indiana since the nation-wide coal strike started. The suit asks that the defendants be ordered to require withdrawal of the picketing order of the policy committee of the United Mine Workers and asks that officers of District No. 11 be mandated from interfering with employes of Knox county mines.

MATTISON JONES SOON TO DECIDE

Urged to Run for Governor Nomination, He Will Give Answer June 28

Mattison B. Jones, attorney and president of the board of trustees of the University of Redlands, who was unanimously endorsed as Democratic candidate for governor Wednesday night at a meeting of the Democratic Club of Southern California at the Hotel Alexandria in Los Angeles, is to give his answer to the club at an adjourned meeting next Wednesday night, June 28.

The following resolution adopted at the meeting endorsed the candidacy of Mr. Jones:

"Whereas, the state primary election is approaching and party candidates are to be chosen for the various offices, and

"Whereas Mattison B. Jones is a member of the Democratic Club of Southern California and is a man well qualified for the office of governor, whose election to that high office would reflect honor and credit upon the state of California and upon the Democratic party of the state:

"Now, therefore, be it resolved that the Democratic Club of Southern California hereby requests and urges Mr. Jones to become a candidate at the August primary for the Democratic nomination for governor."

In addition to endorsing Mr. Jones the meeting went on record in favor of the soldiers' bonus measure to be voted on in the fall.

Mrs. Starkweather Has 81st Birthday

Mrs. M. E. Starkweather of 414 East Wilson avenue passed her eighty-first birthday yesterday. In celebration of the occasion her daughter, Mrs. M. E. Gifford, planned a little surprise for her by inviting in a few of her friends for the afternoon. Those present were Mrs. Julia Beers, Mrs. C. R. Moore, Mrs. C. S. Prine, Mrs. Margaret Campbell, Miss Minnie Campbell, Mrs. M. E. Starkweather, Mrs. L. P. Clover and Mrs. M. E. Gifford. After a social afternoon delicious refreshments were served by the hostess, Mrs. M. E. Gifford.

CLUB WOMAN VISITOR

Mrs. J. F. Sheehan, club woman of San Francisco, visited Dr. Jessie Russell this morning at her office, 208 South Brand boulevard. They discussed common interests in civic affairs.

BIG BARBECUE BY TUJUNGA LEGION

Number of Glendale Folk Will Attend at Begue Ranch on Sunday

Fires were lighted last night in the barbecue pits by the Tujunga American Legion members, who will have a big time at the Begue (Be-Gay) ranch Sunday. Phil Begue is ably assisted by Jack Mathew of Hotel Green culinary fame and Carl Beckow, another chef of note. Arrangements are being made for 300 and former State Commander Buron R. Fitts and John Steven McGroarty will speak. Los Angeles Victory post orchestra will furnish the music. A large number from Glendale expect to attend.

Direct Mail Service

Beginning July 1, a direct mail service between Los Angeles, La Canada, La Crescenta, Tujunga and Sunland will be maintained by the Richardson Transportation Company, it is reported, thus relieving the Glendale carrier, Oscar Settle, from this tremendous task, other than handling local dispatches to those offices.

Plan For Celebration

Sunland will celebrate the Fourth of July at the Monte Vista Oak park. The excitement begins on Saturday, July 1 and ends gloriously on the Fourth night.

Birthday Party for Mary Pauline Craig

Mrs. Noble Ripley, Mrs. Wayne Smith and Mrs. R. S. Todd were hostesses at a merry birthday party given yesterday in honor of little Mary Pauline Craig of Exeter, Calif., at the home of her aunt, Mrs. R. S. Todd, 416 North Maryland avenue. The afternoon was spent in playing various games. Tables had been arranged on the lawn, where dainty refreshments were served.

The guests included Dorothy Jean Ripley, Alice Gaarder, Dorothea Peterson, Jean Moffit, Genevieve Marek, Eleanor Marek, Grace Carmack, Edith Carmack, Catherine Council, Jean Jordan, Kathryn Stanley, Mabel Todd, Mary Pauline Craig, Master Wayne Smith, Jr., Charles Clifford Carroll, Bobby Kimball, Billy Henson, Mr. and Mrs. W. F. Council of Los Angeles, Mr. and Mrs. W. A. Hough, Mrs. John Hobbs, Mrs. Andrew Stephenson, Mrs. John Logan, Mrs. Charles Carroll, Mrs. Will Peterson, Mrs. A. H. Gaarder, Mrs. Robert Kimball, Mrs. Wayne Smith, Mrs. Noble Ripley and Mrs. R. S. Todd.

CITY AND COUNTY TOTAL TAX RATE MAY BE $4.54

Increase of 35 Cents Over Last Year If Schools Receive No Raise

Glendale's tax rate for the next fiscal year hinges upon the attitude of the city council toward the expenditure of public funds for park and recreation purposes, according to City Auditor H. A. Harrison.

Report was received yesterday that the county Board of Supervisors would find it necessary to add 11 cents to the county tax rate in order to cover its budget for the next fiscal year. This amounts to $12,886,192 or 30.9 per cent more than the appropriation of $9,838,243 for the present year.

Two of the largest items in this budget is an item of $500,000 to partially cover the cost of constructing a new Hall of Justic and $125,000 for building an ad dition to the museum at Exposition park.

Over 23 per cent more will be spent for county salaries next year It has been stated that this increase is due to the general increase of business in various departments.

Bridges and Roads

Considerable bridge work and road building is contemplated by the county board of supervisors.

The last tax rate for Glendale was $4.19 on each $100 of assessed valuation. Of this total, the county secured 68 cents; Glendale schools received $2.14, the local city administration drew $1.30 and the county flood control work was given seven cents.

During the past fiscal year three bond issues have been floated locally for school purposes. The first provided $260,000 for grammar school additions; the second pledged $85,000 for the purchase of a new high school site; the third covered $600,000 for the new high school plant. The school

NEW MINISTER IS AGAIN CHOSEN BY CHURCH CHOIR

Experience Is So Pleasing Last Week That It Is Rendered Again

So entertaining was the choice of a new minister last week by members of the choir of the First Methodist church, that the screamingly funny farce was given again last night, much to the enjoyment of the large audience, composed of many who had witnessed the performance last week and many more to whom the choice of a minister was a new experience.

Paul Butterfield as Rev. Homer Alexander Brown, was the divine in question and it was after a choir rehearsal, led by J. B. Clark as Prof. Topnote, that the Rev. Brown was unanimously chosen the new minister. His fate rested with a committee of church brethren, who, in addition to being pillars of the church were also harmonious notes in the choir staff. They were Crescendo B. Flatt, Hezekiah F. Sharp and "Doc" Hoosick, portrayed by Delos Jones, Frank Putterfield and Charles Starkey.

A church choir, whether in fiction or fact, must have a romance involved to be really interesting and Miss Dorothy Peart as Miss Daisy Lovejoy, the new school teacher, introduced this necessary element into last night's drama. She won the hearts of Zeth Perkins in the person of Dr. C. R. Lusby, of Ralph Bunter, a prominent baritone, played by M. S. Kuehny, and T. A. Wright and Wilbur Perkins, but she smiled only upon the new minister, the Ladies' Aiders and Old Maids' club notwithstanding.

But, the life of a young minister, like true love, never runs smooth and with the Ladies' Aid voting unanimously in favor of guiding him in the way he should go, and the Order of Old Maids holding secret session to decide who should have the privilege of marrying him, Rev. Homer Alexander Brown had a most interesting time.

However, Arthur Haines as Uncle Alex, the old sexton, proved to be his friend, and the new minister and the little school teacher renewed an old romance and were married and all ended happily.

Besides those already mentioned, those taking part in the sketch were Mrs. Genevieve Goss, Mrs. H. L. Baker, Mrs. Charlotte Goss, Mrs. M. S. Kuehny, Mrs. F. J. Templeman, Mrs. Martha Dunn, Mrs. W. W. Dow, Mrs. Emma Birkett, Mrs. H. Peart, Mrs. E. Leeds, Miss Dorothy Wainwright, Miss Mary Prime, Miss Alice Lookabaugh and Mrs. Jessie Fredericks.

Glendale's Growth
TOLD BY BUILDING
Total For Year 1920, $3,137,269
The above is a National Record

GREAT PROGRESS IN GLENDALE BUILDING

Total of Permits
FOR YEAR TO DATE
On June 1, 1922, $2,836,454
Establishing a New High Mark
So far This Month, $248,488
Grand Total for Year, $3,084,942

"Glendale building straight ahead!" Now is the time of the year when opportunity for home construction is the greatest and today this city stands on the threshold of a banner building season. In years before the summer has seen a slump here, but not so in 1922. Like a snowball rolling down hill, the little bump of hot weather hardly hinders the home builders and real estate business. Today there is approximately $3,100,000 in round figures on the building record at the city hall, according to Superintendent E. G. Spaulding. A quarter of million dollars' worth of new construction has started this month. Local architects and builders report they are keeping very busy, preparing plans and figuring estimates on more than a million dollars' worth of work. The recent school bond election and other projects alone will mean another million or two. Glendale should do $10,000,000 in building this year, it is said. This city is receiving publicity all over the country because of its remarkable building record. It ranks with larger cities.

GREAT INVASION OF CALIFORNIA NOW BEING FELT

Thousands of Auto Parties Entering State; Five Trails Are Full

There are thousands of automobile parties entering Southern California at the present time over the trans-continental highways, according to a report just issued by the Automobile Club of Southern California.

Motorists of this part of the state are themselves largely responsible for this unusual activity in cross-continent touring on account of their support accorded to sign-posting operations which have so marked the "long long trails" that he who tours may read as he runs.

Five of the long trails are at this time in full blast, discharging travel into the counties of the southern part of the state. Over the Bankhead-Borderland route through the states of the south motor travel is pouring into San Diego and thence distributing itself over the state.

Very Heavy Travel

The National Old Trails highway through the middle west brings heavy travel into the central counties. The Arrowhead trail is bringing its heavy quota from Lincoln highway at Salt Lake City while the Pacific highway is at-

Big Improvement Displayed by Auto Industry, Reported

DETROIT, Mich., June 24.—The remarkable recuperative powers of the automobile industry is the outstanding feature of the report for May issued by the United States employment service.

Automobile and trucks as in April led by a wide margin over all other industrial classifications in increased employment. Automobile plants have taken on a total of 24,446 new men during the month, an increase of 11.2 per cent. Railroad repair shops, which rank next, increased their forces 2843, a percentage of 4.6.

The marked improvement of the automobile industry, of course is reflected in Detroit, which is credited with putting more men back to work than any other city in the country. During May the number of persons employed in Detroit increased by 11.7 per cent over the number employed in April.

Many automobile plants are in need of skilled workers. To meet this contingency the employers have undertaken to train their own skilled mechanics, and considerable progress has been made in this direction, not only in Detroit but in other Michigan automobile cities.

LOOK BACK, FOLKS TO OLD STYLES AND SYSTEMS

Cranking Car on Side, Buying Gas 9 Cents, and Hiring Horses!

The matter-of-fact way in which American automobile owners accept improvements in automobiles that border on the miraculous, considering the short time involved, is equalled only by the magic displayed by the designers.

Few operators of today realize what changes have been made. Maybe they have seen some of the old models, much as one would look at a sideshow freak, but only the drivers who have had successive models appreciate the refinements.

Just a little thought will bring back to mind the cars of yesterday, most of which seem almost quaint in view of present models. The real old-timers, as far as things automotive go, know, but how many of the drivers really remember.

Hark Back, Folks

Pumping tires by hand?

Filling the side light with kerosene?

Buying gasoline for 9 cents a gallon?

Cranking the car about midway on the side?

Using the steering handle instead of a wheel?

Wearing goggles, gauntlet gloves and a "duster"?

Storing the machine for the winter?

Paying extra for headlights, tops and windshield?

Hiring a team of horses to haul the car back home?

Entering an automobile by way of a door in the rear?

When all the neighbors came to the front doors and windows when you started out for a ride?

Stopping several times on the highway and shutting off the engine to allow drivers of horses to get past without having a runaway?

When you have harked back to those things, you will realize to what great extent the automobile has been improved.

Boiled Down Notes to Interest Drivers

A specially designed motorcycle ambulance is operated in Paris by the police department.

Children under 14 years of age are prohibited from operating automobiles in California.

In the state of New York any person using a car without the consent of the owner is deemed guilty of larceny.

Within the past fifteen years the fire department of Detroit, Mich., has discarded all horse-drawn vehicles, and replaced them with motor apparatus.

Of the 12,588,949 automobiles in the world the United States is estimated as having 10,050,660, followed by Great Britain with 497,582, and Canada with 463,448 cars.

POOR JUDGMENT IS FREQUENT CAUSE OF ACCIDENTS

Most Skilled Not Always Best Drivers, Declares Editor of Motor

By ALEXANDER JOHNSTON
Editor of Motor

Are you a good driver? Perhaps you are, but don't be too sure. Good driving, in the fullest sense of the word, does not mean merely skillful driving. Some of the most skillful drivers in the country are among the very worst menaces that encumber the roads.

The fact is that the term "good driver" must include careful as well as skillful. Moreover, many skillful and careful drivers daily commit errors of judgement, often merely because their mistakes never have been called to their attention.

Take, for instance, the man who is proud of the rapid acceleration of his car and makes a point of getting under way quickly. Very good, if he uses discretion and the utmost care always. But, if he allows his attention to waver for the fraction of a second needed to send him piling into another car without the same rapid getaway that his vehicle has, can we call him a good driver? Not at all; he is a careless one.

In Path of Traffic

How often do we see a motorist who understands perfectly the control of his car, who might pass as an ultra-skillful driver in almost any company, cutting left-hand corners, trusting to his skill to permit him to get away with it. You see the disadvantage of cutting short around a left turn is that you thrust your car directly in the path of approaching traffic.

Another mistake, perhaps even more frequently made, is swinging right in traffic or event out of it, without ample notice by the out-stretched hand that a turn is to be made. Motor vehicles are so thick on the roads now that no driver should make a turn, ever, without giving ample notice of his intention.

A common breach of good motoring manners is found in the tendency of some drivers to hug the left side of the road. Obviously this may become the cause of a serious accident under certain conditions. For instance, driving over the crest of a hill just a little too much on the wrong side of the road.

Cause of Accidents

Turning is a fundamental cause of accident, in that if it is not done in exactly the right way, trouble is always possible. For instance, the man who makes a sudden, sharp turn is as likely as not to have a skid of greater or less proportions. Now, such a skid may very possibly carry him into another car, with crumpled fenders or a smashed body as the result. Turns should always be made slowly and carefully.

Another piece of bad driving judgment may be observed any pleasant afternoon on almost any street or road. This is following a car ahead too closely. There should always be kept between cars an interval long enough to permit a sure stop being made, if the vehicle ahead halts suddenly for any reason. This habit of following too closely is the result, in the main, of the great number of cars on the roads, but it is also the cause of most of the rear-end collisions.

These Suggestions Will Be of Help

When remounting a rim do not, tighten one lug to the fullest extent, but tighten each lug a little at a time until all are snugly in place.

Always keep spare tires locked by a chain or some other secure device.

Put some distinguishing mark on the car for future identification, if necessary.

Never leave an automobile unattended without locking it. Install a good lock on the car and use it.

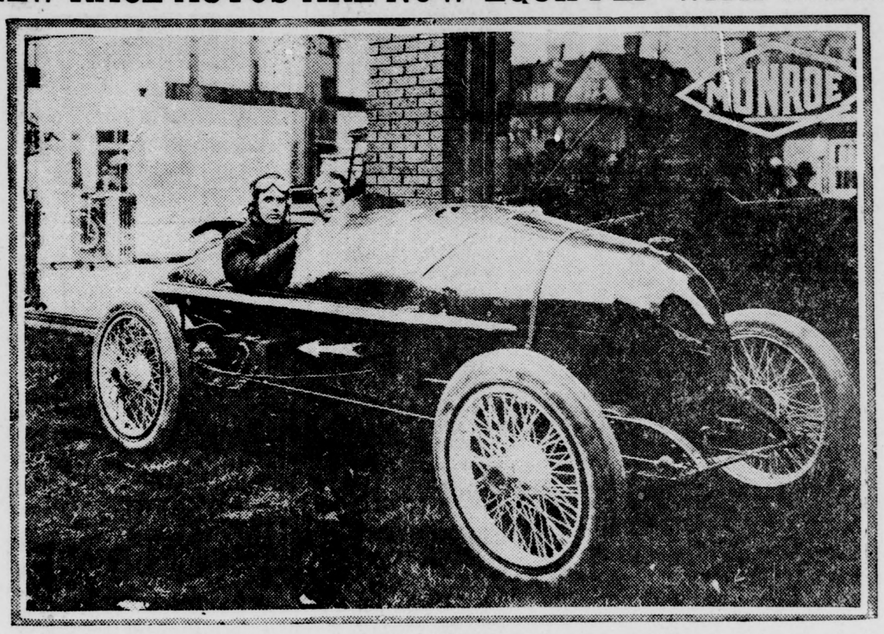
Keep a record of factory number, motor number and number of parts, easily located. If the car is stolen, the thief will possibly remove some numbers but probably not at all.

Rusty spring leaves, which are permitted to stick together, destroy the resiliency of the spring, and make it but little more effective than a solid block of steel. A spring that has rusted fails to function and the shocks of the road are transmitted to the chassis with disastrous effects to the mechanism, as well as discomfort to the passenger. The tires, too, are badly battered. A little care in lubricating the spring leaves will often eliminate broken springs and produce longer life of the car.

GARAGE 25 STORIES HIGH

Among the latest novelties of automobile conveniences is a proposed automatic garage of twenty-five stories in Chicago, to cost $1,200,000. After the owner or driver deposits the car in the building an elevator carries it upstairs and stores it in its allotted space. All this work is accomplished by a woman operating at a keyboard on the first floor.

NEW RACE AUTOS ARE NOW EQUIPPED WITH RADIO



This is the first time that radio has been installed in a racing car, enabling the driver to receive instructions while speeding around the track. The picture shows Wilbur D'Alene (right), pilot, entered in the Indianapolis races, and his mechanician. Arrow points to the radio apparatus.

Reckless Ones Lose Cars for Ninety Days

Authorities in Denver, Colo., have adopted a most drastic regulation to prevent reckless driving. Anyone convicted of such an offense is forbidden to operate a motor vehicle for six months, and, if he violates this order, the police may impound his car for ninety days.

There frequently arises in connection with bolts and other round parts, the need for an effective method of gripping. A pipe wrench is not always available. However, the jaws of a pair of pliers may be wrapped with tape, into which small round parts will firmly bed themselves, so that the pliers will not slip in turning. This will also prevent damage where a threaded portion must be gripped.

Marking automobiles with a permanent number, in much the same manner as ranch owners brand their horses as a means of curbing the activties of horse thieves, is proposed as a means of stopping the increasing number of motor car thefts, in a plan suggested by state prosecutors in New York. The association is to father a nation-wide campaign for the adoption of the plan.

Holland Auto Buyers Favor American Cars

Seventy-five per cent of the automobiles sold at the recently concluded thirteenth annual exhibition of motor vehicles held in Amsterdam, Holland, were of American make, the Department of Commerce reports. About 150 cars were shown, representing forty-two makes. The United States led with sixteen name plates, France followed with twelve, Germany with eleven. Great Britain with two and the Netherlands with one. That the largest percentage of sales were of American cars is attributed to low prices.

Some Brief Notes to Interest Drivers

Bad alignment of wheels is one of the principal causes of tire injury.

Loose electric connections will cause the engine to fire in the muffler with a loud explosion.

A lining of sheet asbestos inside the hood will prevent the outer surface from getting dull.

Before replacing a battery in a car be sure it is fully charged and otherwise in good condition.

Rims should be cleaned well with sandpaper and a coating of graphite applied about twice a year.

Here's One Method Of Taking Bumps

Throw out the clutch when about to go over a bump in the road. It is surprising how much easier the car rides when this is done. The car merely coasts over it instead of being driven, and so the shock is reduced. If there is room, it is well to approach the obstruction at an angle; then only one wheel strikes it at a time, and the shock is still further reduced.

A good compound for use on terminals, connecting bars and other battery fixings is made by melting small pieces of sealing wax in alcohol. The wax should be covered with the liquid and be left for a day or two, when it will be found to have become about the consistency of varnish.

The use of a plain tread tire and a non-skid tire should be avoided, because the plain tread is more liable to skid when brakes are used, when the car turns a corner or increases its speed quickly, thereby wearing more rapidly than the non-skid tire.

FOR THE SPRINGS

To add to the life of the springs and to afford additional riding comfort, lubricate well between the spring leaves. If no leaf wedge or spreader is at hand, a screwdriver can be used by driving it between the leaves at a point near the end of each lower leaf. Use a thin oil, into which has been mixed a small amount of graphite, squirting between the leaves with a hand oiler, allowing the oil to drain toward the center of the leaf, removing screwdriver.

Great Highway Mark Set for Year 1922

Three hundred and fifty thousand miles of improved highways, extending through every state in the union, is the mark set for the summer of 1922.

It is bad for the tires to force them to carry more weight than they are intended to bear. When it becomes necessary to carry extra weight, the car should be driven slowly, with all due care to avoid unusual bumps, and the temporary overload will probably result in no damage to the tires.

A mysterious cause of an engine misfiring is water getting into the carburetor. Simply drain the carburetor to remedy the trouble and as a precaution, open the drain cock of the gasoline tank a few seconds to draw off any water which may be in the tank. As water goes to the bottom, it will drain immediately the cock is opened.

Learn to Discover Missing Cylinder

Every driver should learn how to locate a missing cylinder. The screwdriver method is the best. Run the engine throttled down, and short-circuit each plug in turn by resting the end of the screw driver on the cylinder and leaning the blade against the head of the plug. If the engine slows down, that is a live cylinder. If it does not affect the running of the engine, it is a dead cylinder. The test works best on a four-cylinder engine.

MOTOR SALES FOR 1922 HIT MARK DURING MAY

Total 14,088 Passenger Cars Are Registered In Month; Beats April

May was the largest month in automobile sales that the motor car industry has ever recorded in California.

According to figures just made public in the June issue, Motor Registration News of Oakland 14,088 passenger cars were registered, and this remarkably high total beat April, 1922, the former high month by 1837 cars.

Indicative of the prosperity which is permeating the trade and verification of the fact that a shortage of cars is not at all unlikely is gleaned from the Motor News tabulations which also show that in May of this year an increase of 50 per cent in sales is recorded over May, 1921.

Registrations for May, 1921 were 9369 compared to 14,088 last month. The gain of 4719 sales is noted principally in medium and higher priced classes which seemed to fare even proportionately better than did some of the cheapest models.

May Surpasses April

Another interesting feature brought to light by the Motor News statistics is that May surpassed April. In former years the peak of the spring selling period has been reached about April 15, from which time, until fall buying opens, there is a gradual decline in business each month. The precedent created this year leads those who study motor car buying habits to believe that June and July will be equally as brisk months as April and May have been.

Southern California leads the northern section of the State in sales, the South's portion of May registrations being 7269 cars in contrast to 6819 for the north. Southern California bought 4888 cars in May, 1921, but increased this total 49 per cent in May, 1922.

Northern California, with its May mark of 6819 cars exceeded its May, 1921 total of 4481 cars by 2338 registrations, a 52 per cent boost.

1500 Motor Express Lines in U. S., Report

There are 984 motor express lines in the United States which have been listed at the offices of the National Automobile Chamber of Commerce. The total number of motor express lines in the United States is estimated at 1500. The tendency each year is toward consolidation, with fewer lines doing a larger business.

Don't plant crops blindfolded

WHEN you buy seeds you know it is wise to specify the kind by name. And to keep your eyes on them to see what kinds give the best results.

How do you buy your automobile tires? Do you know what tire will give you the most mileage at the lowest cost?

Make this test:

Put a Miller Tire on your car opposite any tire you like, regardless of cost. Watch it mile after mile for thousands of miles. It will prove to you—as other Millers have proved to hundreds of thousands of motorists—that Miller Tires will give you the greatest mileage at the lowest cost on *your* car, or any car.

Don't buy tires blindfolded. Make sure your next tire is the original Miller Geared-to-the-Road Tire—the money and trouble saver.

AUTO TRIP NORTH IS ENJOYED BY LOCAL FAMILY

W. E. Farlander Party Home After Three Weeks on State's Highways

Mr. and Mrs. William E. Farlander and family of 354 Riverdale drive have returned from a most delightful three weeks' automobile trip to the northern part of California, going as far north as Eureka. They report the roads as being in fine condition all the way, although some of them are not paved but are quite smooth. On the way north they traveled for miles over the Redwood highway, with the redwood trees towering on either side of the road. Mrs. Farlander states that there is considerable water in the rivers at this time of the year and they were especially beautiful.

Mr. and Mrs. Farlander were quite delighted with the many varieties of wild flowers and the exquisite colorings that they found in the northern part of California, the woods being filled with wild flowers. The trip north was by way of the valley route and they state that they did not encounter any hot weather. Mr. and Mrs. Farlander stopped at Sacramento and from there to Healsburg and Eureka. The return trip was made by way of Fort Bragg, San Francisco, San Jose and Paso Robles.

Catalina Ahoy! Ford Crew Aboard Launch Moonlight

Twenty-five members of the Jesse E. Smith company, local Ford dealers, have chartered the motor launch Moonlight, plying out of Long Beach harbor, for a fishing trip to Catalina over the week-end.

They will leave port tonight and enjoy the night at Avalon. Tomorrow will be spent in fishing and they will be baked—the Ford crew, not the fish—as the weather man says "fair and warmer."

This is the second trip taken by the crew on the good ship Moonlight, and if they survive more such events are planned for the summer.

However, one must wait until they have buffeted about the channel before any predictions may be made as to seasickness, it is said.

The first time out they stayed in sight of land.

Autolectric Service Has Stromberg Line

In order to better care for the needs of motorists, the Autolectric Service company at 113 West Harvard street has added the Stromberg carburetor line which H. M. Parker believes to be one of the best gas mixers on the market today. This added service has resulted from a demand noted from many motorists for better carburetion.

Experience Teaches That Insurance Pays

C. L. Booth of 145 South Brand boulevard, automobile insurance broker, says experience is a dear teacher. After a car catches fire the owner realizes the necessity for insurance. He cites a recent instance where a machine parked for the night was nearly destroyed by burning rubbish.

AGENCY HERE FOR LEXINGTON SIX ANNOUNCED

W. W. MacFarlane, Former Chicago Resident, Opens Auto Business Here

W. W. MacFarlane, former Chicago business man, has opened in Glendale an agency for the Lexington Minute Man Six automobile. He is occupying for the present part of the Maxwell agency building at 124 West Colorado street, but is making negotiations for the purchase of business property with a view to erecting his own building soon.

Although Mr. MacFarlane is new in the automobile game, he has been successful in other lines of business in Chicago and has great faith both in the thriving condition of Glendale and in the beauty and ability of the Lexington car as omens of a good business here. His territory will include Glendale, Burbank and Eagle Rock.

"Glendale is certainly a coming city," declared the former Chicago man, "and I believe that it is one of the most thriving of the southern California cities. It looked good to me when I was looking over the state with the object of picking a good place to locate."

Enthusiastic Over Car

Mr. MacFarlane is very enthusiastic over the car for which he is to be agent.

"The steam-like character of the super power developed in the Ansted motor, made by the Lexington people, its endurance and consistency of performance are evidenced almost daily in the remarkable feats performed," he stated.

"The Ansted motor accelerates on hills—it accelerates after ordinary motors have reached their limit of speed—it accelerates anywhere and at any time—and acceleration," he continued, "is the final test of power.

"That first Pike's Peak victory, when, in 1920, the Ansted motored car won the Pike's Peak climb, was the first public demonstration of the efficiency of the motor, and every day brings news of new records, new victories and new laurels just won."

The Ansted motor, according to Mr. MacFarlane, has been perfected only in the last few years. It contains many unique features, he says, such as the thermostatic control on the water-cooling system, the Lexi-gasifier which makes a thorough mixture, the rocking chair rocker arms which are designed to be noiseless and still lift the valves 40 per cent higher than those on any other motor, and the multiple exhaust which prevents more than one cylinder from exhausting into the same line at once, thus eliminating overlapping of exhaust and loss of power.

Mr MacFarlane expects as soon as possible to be in a building of his own. After he secures property which he now has in mind, he expects to erect a building to contain one or two store rooms in addition to those to meet his own requirements. In the meantime, he says, there are several carloads of the Lexington Minute Man Sixes on the way, and he expects within a short time to demonstrate the many novel features of the car to Glendale people.

THIS IS A STUDEBAKER YEAR

Studebaker

If Studebaker built nothing but the Big-Six, you would never be able to buy one of these extraordinary cars for $1785 at the factory.

The expense of manufacturing and marketing Studebaker cars is shared by three distinct models, the Light-Six, the Special-Six and the Big-Six. That means one executive management, one manufacturing organization, one purchasing unit and one selling cost—instead of *three separate organizations.*

Consider the Big-Six as an investment—how much you get for your money, plus the *amount you actually save.*

We know of no car, even at twice its price, that will give you greater satisfaction in the matters of endurance, appearance, comfort, serviceability and the refinements. In everything that goes to make up your appreciation of a car, the Big-Six ranks with the finest built. But it distinctly does *not rank* with them in price!

The theory that high prices necessarily mean fine cars is fallacious, simply because prices are not based upon intrinsic values but upon *production costs* of individual makers, which vary widely according to their ability and manufacturing facilities.

Obviously, high costs of production, inevitably arising from incompetence or inadequate manufacturing facilities, mean not only high prices but actually inferior cars.

The materials and workmanship in Studebaker Cars measure up to the highest standards known to the automobile industry.

With $70,000,000 of actual net assets, including $36,000,000 of plant facilities, and seventy years' manufacturing experience, Studebaker stands unsurpassed in ability and resources to manufacture *economically* and give the greatest intrinsic value possible for a given price.

No car has better refinements or more complete equipment. The Big-Six has large, artistic hea lights with improved deflecting and diffusing lenses; cowl parking lights; courtesy light, illuminating left side; tonneau light with 10-foot extension cord; built-in thief-proof Yale transmission lock, ignition lock and lock on tool compartment in left front door, all operated with the same key; gypsy-type top with large bevel French plate glass window in rear; curtains opening with doors; improved one-piece; clear-vision windshield; windshield wiper; 3½" carpet-covered foot rest in tonneau; electrically lighted, walnut-finished instrument board; ventilator in cowl; jeweled 8-day clock; double tire carrier at rear with one extra rim; outside and inside door handles; shock absorbers.

Hudson Leader in Closed Cars, Says Local Distributer

Automobile manufacturers are agreed that the tremendous increase in proportion of closed cars made since 1916 has been one of the outstanding features of the automotive business during that period. In that year 1.5 per cent of all motor cars made in the United States was closed cars. This proportion has risen rapidly each year since, reaching 25 per cent in 1921, and it is still growing at a phenomenal rate.

"The Hudson Motor Car company," says Mr. Kline of the Kelley-Kline Motor company, "always among the leaders in proportion of closed car sales due to its pioneering in this line, probably tops all manufacturers today. Fifty-five per cent of its entire output since January 1 has been in closed cars."

"Essex motors is believed to be in second class in this respect. Slightly more than half of the Essex output since the year started has been in cars of this type."

Both companies state that the proportion of this business is continuing at approximately the same rate, even with summer at hand. In fact, it is quite certain, they declare, that when production totals for May are compiled, it will be found that the closed car business for that month was even higher than the yearly average to date.

Automobile Invasion Is Now Under Way

(Continued from Page 3)

tracting hundreds every month from the northwestern corner of the United States.

Recent signposting work carried on by the auto club, which is supported by the motorists of Southern California is considered by state authorities as the greatest stimulus to the heaviest long distance motoring trekking ever seen in America.

Although the club sign-posting system has apparently reached a state of perfection, according to many observers, it is stated by officials of the organization that extensive improvements are planned for the near future.

Showrooms Doiled Up for Studebaker Display by Packer

Surroundings suitable for the Studebaker pleasure and business cars must be maintained, according to S. C. Packer of the Packer Auto company, San Fernando valley distributors.

Therefore he has had a crew of interior decorators busy the past week renovating and painting the salesrooms so they look like a parlor. Of course, the work has mussed things up a bit, but the salesmen have been kept outside landing orders and everything is going a-galloping at the Studebaker agency.

Like all others the shortage of popular models in this touring season makes it imperative that orders be taken in advance, although demonstrators are maintained for the convenience of customers.

At this period of the year the used car market is good and certified Studebakers are making a big hit with those who wish to have the warranty of reliability placed upon a machine.

13-Year-Old Ford on Display Now at Jesse E. Smith Co.

The Jesse E. Smith company, corner of Colorado boulevard and Orange street, has on display a Ford of 1909 vintage with the original engine block—and that's about all. It is numbered 11,980 and has been bumping around Glendale for the last 13 years.

Going onto the floor of the service room a new car was seen bearing No. 6,025,103, showing that Henry has been busy. It was also noted that the local dealer has complied with the factory request that a battery charging station be installed for the accommodation of Ford owners exclusively.

This new department is located on the balcony where 900 feet of storage space over the office permits a large amount of parts being carried without cluttering up the service department.

The Fordson tractor which the city purchased is on the floor and ready for delivery the first of the week. Mr. Smith states that business is mighty good, more orders being on the books than can be delivered by July 1.

New Maxwell Cars Satisfy Critic, Says L. P. Clark, Dealer

Motor cars come on the market and either develop to be big sellers or eventually die a natural death. The future of an automobile depends on three things, its performance when in the hands of the owner, its body lines and its ease of control and riding qualities.

When the new series Maxwell came on the market in November of last year, the critical public examined it thoroughly and a few of the more daring ones bought the car.

Hundreds of them are now on the streets in southern California and the new Maxwell owner is thoroughly satisfied with the car and, strange to say, the beauty of the body lines and its wonderful performance still create as much interest as when it was first introduced.

"Owners coming into our service station," said Mr. Clark of the Glendale Motor Car company, "continually tell us of the great number of people asking them about the car and most of the Maxwell buyers today are the ones who have been watching its performance for the last few months."

The great number of Maxwell cars on the streets of Glendale is due largely to the boosting of the few satisfied Maxwell owners who ventured to buy the new series Maxwell when it was first introduced.

Max L. Green Throws Scare Into Salesmen

Max L. Green, Kenneth Graves and Joe Hollister of the Oakland agency went hunting Thursday night in the hills back of La Canada. Just what they were after, unless it was jackrabbits, they cannot say, for they got nothing—that is, all except Joe.

He got scared, according to the reports, when the coyotes started calling. Max, being a native of the hills, almost, said mountain lions lurked in the mountain fastness.

"Let's go home," Joe is said to have suggested soon thereafter. And back they tracked with nothing but exercise to show for their trip.

Why Buick Cushions *Are Comfortable On All Roads--*

Buick cushions are comfortable on all roads because of their "double-deck" springs and resilient hair pads. The upper springs, which are light and easy-acting, yield to the slightest road irregularity. The lower springs are larger and stiffer. They come into play on rough country roads, carrying the passenger in comfort over bumps which cause the ordinary seat to "strike bottom."

Between the springs and the French-plaited leather upholstery are two thick, yielding pads of interlaced hair which positively prevent "lumping."

In Buick seat cushions, as in every other part of the car, is built the quality which has made Buick cars the standard of comparison.

We will be pleased to show you the new models. Ask for a demonstration.

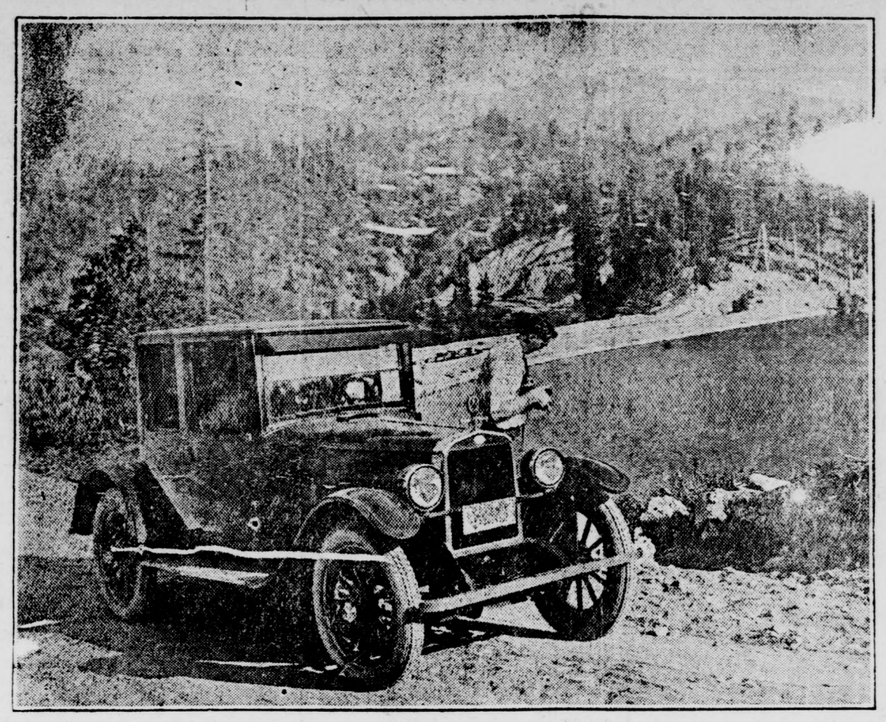
OAKLAND SIX TAKES PARTY ON A SCENIC HILL TRIP



This picture shows an Oakland Six on the scenic drive above the dam at Arrowhead lake in the San Bernardino mountains. The Oakland Six made the hill climb very easily and did not boil on the switchbacks. The Arrowhead resort is being made very attractive for visitors.

To Arrowhead Lake from Los Angeles in a coupe with four passengers on four gallons of gasoline and climbing the switchbacks under the mid-day sun without boiling was the achievement of an Oakland 6-44 driven by C. F. Crank last week.

The Oakland Six party found a transformation that is seldom equalled even in this day of vast undertakings. Instead of the hit or miss cabins scattered all over the shores of the lake, a new and orderly village has arisen and camp grounds with running water and sewers and a new camp brimming over with brand new cabins, knows as Camp Fleming await the summer outer.

"Nine cars passed us at the start of the climb up Waterman canyon and the Switchbacks," says John D. Roche, who with his wife and Mr. and Mrs. Crank madeup the party.

"I inquired of Mr. Crank why he was taking the dust from all of them and he said for me to wait. I did and it was not long before we overtook each of the cars that had passed us, and one or two more who had preceded our coming. Everyone of them was boiling and stopped to cool off. One driver had dropped into low at the start of the climb and was traveling along about eight to ten miles an hour with the motor just taking it easy. The result was that the motometer was always safely below the boiling point. The Oakland was the only car that we saw that day that hadn't boiled on the switchbacks.

"Once on top of the mountain the going was easy. The "Rim of the World' road is the best. It is advisable to turn to the right through the big stone gate opposite the entrance to Pinecrest instead of proceeding on the usual Little Bear and Strawberry Flat road. By turning to the right the Rim road is followed over its beautiful part with a never ending panaorama of mountains and vales stretching away in all directions. At the summit the Rim route is met by a new cutoff to Arrowhead Lake and here we were met by Ceph Sailsbury of the Arrowhead Lake company who was to pilot us through the wonder land that awaits the summer vacationer.

"On the return run we had no trouble, nor did we experience in all the trip even the slightest mishap. The Oakland wound around over the beautiful new Lake Shore drive and then all over every mountain road about the lake with never so much as an adjustment and not once even threatening to boil in spite of the intense heat of last week. It was a revelation for me to make such a trip and see a car perform as did this new creation of the Oakland factory."

The Glendale agency for the Oakland is held by Green & McClellan.

ROCK ON HIGHWAY MAY RESULT IN FATAL CRASH

Careless Drivers Are Likely to Cause Deaths by Leaving Obstructions

REDLANDS. June 24.—Jay Boone, county traffic officer and in charge of the controls on the Mill Creek road in Big Bear Valley, is out to get the motorists who leave rocks lying in the mountain road. "Than which there is no more unhung rascal in the world," says Mr. Boone in announcing that this summer he is to go after such "fool" motorists, as he classes them.

"I can prove by the records that more fatal and near-fatal accidents on the mountain roads have been caused by just this thing, than any other," says Boone. "The average motorist heats his engine up on the grades. He stops to cool the car off, relieves the brakes by sticking a big rock back of the tire. Drives off and leaves the rock in the middle of the road.

Rock Causes Crash

"Likely it is on a turn. Motorist comes down the grade. Tries to dodge rock, goes perilously near edge or over the bank, or hits rock and the wheel spins in his hands. If he isn't a good driver he loses control of a car in the worst possible place, on a grade, narrow road and death over the edge."

Boone says that the first fatal accident of this year, in which Miss Leah Miller of Los Angeles lost her life, was caused by a rock in the road. He says it is not all carelessness—that some people just naturally don't care how much danger they put in the way of other folks. It has been his experience that about 90 per cent of the drivers are of this class.

Boone is going to put up signs on the mountain roads telling the motorists to heave their rocks out of the road when they get through with them. "San Bernardino county is spending thousands of dollars trying to safeguard mountain drivers with the cost of a control on the big road, but this will all be wasted if the drivers won't use a fair amount of caution. If some of them could see the smashed cars I have seen, perhaps they would change their minds—if they have any to change."

To live is the rarest thing in the world. Most people exist, that is all.

TOUR OWN COUNTY FIRST, URGED ON AUTO OWNERS

See All of Attractions In Your Home Section, Is Being Suggested

See your own county first, Mr. Motorist!

Road conditions for mid-summer touring throughout Southern California are reported good by the touring bureau of the Automobile Club of Southern California.

This is true particularly in regard to the routes leading to the various resort sections of the southern counties, and not forgetting the national parks which include Sequoia and General Grant as well as Yosemite.

Every county, at the present time, says the Auto club, has its own pleasure spot, and motorists are urged by the club to patronize these local resorts as much as possible.

The club is urging a "see your county first" campaign throughout Southern California just as the sentiment has grown to see America first. It is pointed out that after the auto owners of each county become thoroughly acquainted with the beauties of their own section so that they can talk intelligently about them, then it will be time enough to fly off to other environments.

Know Your County

Many motorists, it is said, do not know a thing about the beauties their own county has to offer, and they always think that greater joys lie "just over the hill." To discount this growing unrest, the Auto club is urging the See Your County First idea locally so that the entire United States may come to know Southern California from the enthusiasm of its own residents. This is best promoted by close co-operation of the residents of each county working in harmony, it is pointed out.

After you learn your own county, then see Southern California as a whole, say the club officers.

Use for Old Tubes; Protect Your Tires

A good use for old tubes, says an expert, is to use them in your emergency tire repairs. Place a piece between the casing and the patch and it will remove possibility of friction between them.

Protect your tires by applying the brakes gently, using the clutch gently and throwing it out going around corners. If these pointers are neglected the tires are subjected to terrific strain and their life is materially shortened.

The Cleveland Trust company estimates that it costs more than one-third less to operate a car today than it did a year ago. Gasoline is down 33 per cent, tires 38 per cent, and oil 43 per cent.

In washing the car avoid kerosene, gasoline, lye soaps and hot water. These are ruinous to the finish and to the paint as well. It pays to take proper care and spend a little more time when washing a car.

AIR AND GAS MIXTURE

The average mixture considered best for combustion in the cylinders of an automobile engine is from 14 to 17 parts of air to one part of gasoline. Less air is used and more gasoline for low speed and power work, while more air and less gas are drawn into the cylinder for economical high speed driving or light load pulling.

Here Are Hints to Benefit Car Owners

No person should ever take an automobile out on the well-traveled highway unless he has learned how to drive a car and to ktep it under proper control at all times.

By cleaning the spark plugs, every week or two, the motorist will find big loads have been taken off the battery, and that the engine will turn over in much shorter time.

Oil that has been allowed to remain in the crank case for several months becomes contaminated by dilution, carbon, road dust and water, and loses much of its lubricating value.

The accelerator pedal, the starting motor, generator and all other devices hidden away beneath the hood and floor boards, should be given attention and lubricated at frequent intervals.

A car that is driven over a muddy highway should have chains attached to the wheels. The chains should be tighter than usual, because when too loose the wheels will sometimes spin around inside the chains when the car is stuck.

New Booster Born for Chevrolet Cars

Born to Mr. and Mrs. E. F. Tellier on Monday, June 19, 1922, a 7-pound and 3 ounce son at the Glendale Sanitarium. Both mother and babe are doing well, the little one already being christened Edward Armand. Mr. Tellier, who is office manager for C. L. Smith, local Chevrolet dealer at 400 East Broadway, says "he is some boy."

Look What $1145 Buys

Look what $1145 buys. Look carefully and you'll see the most wonderful value ever offered among motor cars.

This is not a boast—the facts prove it. If you could see every part of this new Oakland 6-44, if they were as obvious as the beautiful new body designs, you would know that this New Oakland is the car you should own.

It is designed and built to give years of service on the road—not in repair shops.

It embodies features that have previously been incorporated only in expensive cars. You have only to be shown these features to link the new Oakland with cars like Locomobile, Cadillac and Pierce.

Come in and let us point out the wonderful features that make this new Oakland the sensation of the motor car world—features that were responsible for the Oakland's sweeping victory in the recent Yosemite economy run—features that make this the car you should drive. Only $1145 factory.

PROPOSES HOUSE RECESS

WASHINGTON, June 24.—A complete recess of the house of representatives for one month or five weeks from June 30 was proposed by Republican Leader Mondell. The recess would be effected by an adjournment for that period under a concurrent resolution to be passed by the house and senate.

SEARCH FOR SMUGGLERS

SAN FRANCISCO, June 24.—A state-wide search was being made by prohibition agents for two more alleged members of the whiskey smuggling ring which operated from Vancouver and Seattle—one of them a woman—it was learned today. They are said to have departed from here hastily leaving behind two valuable automobiles. Prohibition officers have a good description of them and expected their arrest soon.

AD WRITERS TO MEET

SAN DIEGO, June 24.—"With truth in advertising, integrity in business" as their slogan, 1200 or more expert advertising writers and directors of the Pacific coast will meet in this city Sunday for the annual convention of the Pacific Coast Advertising clubs association, to be held June 25 to 29.

San Diego is in gala attire for the visitors who already are beginning to troop in by auto and trains. Streets and stores are decorated and automobiles are awaiting the delegates' pleasure, and all San Diegans are doing their utmost to show the visitors that San Diego knows how.

While a squadron of welcoming airplanes from North Island drone overhead, the first event of the convention, a big inspirational service, will be held in Balboa park, with Dr. R. B. Von Klein-Smid, president of the University of Southern California, as the principal speaker on the topic, "The Dynamic Forces of a New Day."

SEEKS TO END STRIKE

WASHINGTON, June 24.—The government has renewed its efforts to end the nation-wide coal strike, it was announced at the labor department. Secretary of Labor Davis has made new overtures to the operators and miners, but without success. The operators, it was stated, want to deal with the miners on a district basis while officials of the United Mine Workers demand a national conference or a meeting of all groups in the central competitive fields.

ORDERS INVESTIGATION

SACRAMENTO, June 24.—Governor W. D. Stephens has ordered the state department of public works to join with the state engineers of Arizona in launching an immediate investigation into flood conditions in the Palo Verde valley with a view to taking proper precautions to avert further damage from flood waters. An area estimated at approximately 30,000 acres, including the town of Ripley, is reported under water.

JURY QUICKLY ADJOURNS

MARION, Ill., June 23.—Coroner William MacGowan today impanelled a jury to investigate the killing of twenty employes of the Southern Illinois Coal company by striking miners and their sympathizers.

The jury impanelled, he said: "Well, boys, let's adjourn until Sunday."

The proposal met with the approval of all the jurors and they adjourned.

ACCOUNTS SHORT, CLAIM

OAKLAND, June 24.—Application for a warrant for the arrest of Glen Gray, former commander of Berkeley chapter, Disabled War Veterans, on a charge of embezzlement was made to the district attorney today by members of the organization.

It was said that $700 was shown to have been disbursed for which no bills have been turned in.

LOCAL LAUNDRY IS WELL EQUIPPED MODEL PLANT

Additions Just Completed by W. E. Hewitt Make It Equal to Any

The Glendale Laundry is as well equipped as any laundry plant in Southern California.

This statement was made yesterday by William E. Hewitt, proprietor of the local industry, who takes personal pride in the fact that it has been built up by giving the community good laundry service and housewives good laundry work.

About $35,000 has been invested in the plant in the past few weeks bringing the total value of the establishment up to $100,000.

The Roy L. Kent Construction company of 130 South Brand boulevard has just completed an addition which runs the entire length of the building on the north side. This adds 4000 square feet or an additional one-third to the floor space of the establishment.

Bright, Light Plant

The new section, like the old portion of the building, is painted white inside so that the walls reflect the light from the numerous windows and skylights. In fact, it is even better lighted and ventilated than the opposite side of the room.

Cleanliness is a hobby at the Glendale laundry. The floor is thoroughly swept every morning and washed every week. A speck of dirt is decidedly unwelcome.

The neatness of the members of the Glendale laundry family is another point which attracts attention. Most of the employes within the establishment are young women and all wear immaculate white uniforms. Their activity gives the interior a most cheerful aspect. Mr. Hewitt believes in paying his employes a decent living wage and is quite proud of the personnel in his establishment.

New Equipment Installed

Among the new equipment just installed is a massive machine which is known as "a six-roll floating flat ironer." This cost $8,500 and weighs about 28,000 pounds or fourteen tons. This is a complete ironing department in itself. The six long, thickly padded rolls are so sensitively suspended that they actually float over the work and adjust their presure to goods of various weight. This machine is said to be capable of ironing monograms and initials as beautifully as though done by hand.

A "cascade washer" is another very modern machine just installed. This is a long cylindrical metal inclosed washing machine. Four large ribs are fixed to the interior circumference. These pick up and drop the clothes being washed. The machine is guaranteed not to get the wash into a snarl or to tear any of the articles of apparel.

A battery of six pressing machines for ironing overalls and similar garments is a feature of the laundry equipment.

Marking Room Rebuilt

In order to provide greater efficiency in the marking room this department has been rebuilt according to the most approved plans and now provides working space on Monday mornings for twelve markers.

An immense new boiler is to be fired next week. This is over 22 feet long, more than 10 feet wide and almost 11 feet high. It contains fifty-four 4-inch pipes 16 feet long. The boiler is capable of generating 100 horse-power without trouble. Safety valves will throw open the exhaust any time the ordinary pressure of 110 pounds should increase to 125 pounds. This boiler is expected to consume about 1500 gallons of crude oil a week. The 40-horse-power boiler, which has been used previously, is to be kept ready for emergencies.

A new loading platform has been built on the northside of the building where the eleven drivers may have the benefit of the shade. This was formerly located on the west side of the building.

Visitors Are Welcomed

The west side of the establishment is now occupied by spacious offices. These have many windows and are enlivened by white woodwork. Mahogany furniture graces Mr. Hewitt's private office.

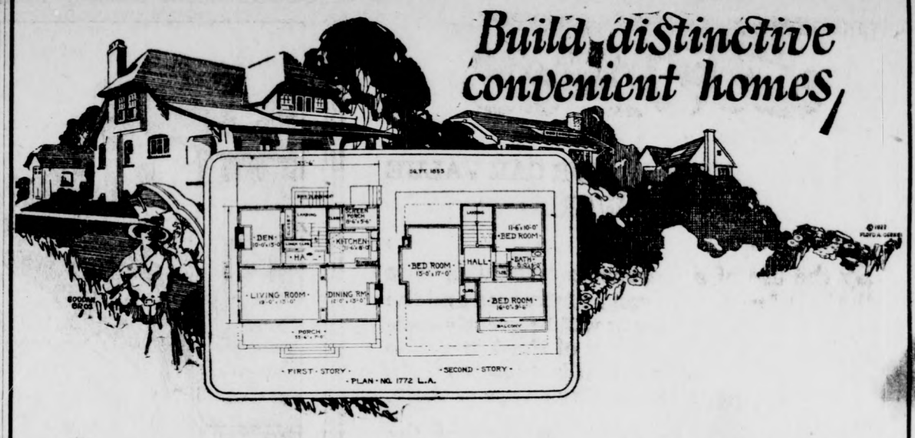
Visitors are welcome at the Glendale laundry. When the week's work can be completed by Friday night, employes get the following day off. Monday is consumed by the marking and washing departments. Therefore, Tuesday, Wednesday, Thursday and Friday are the best days for visitors.

Local housewives, who have been through the plant, have left with a new conception of the laundry business which has been very complimentary to the local industry.

Mr. Hewitt emphasizes the fact that the local plant is just as modern as any in Los Angeles county—not excepting the large launderies in Los Angeles. He stated that he knew of one million dollar laundry there which has not yet installed a floating ironer and that the "cascade washer" is one of the most modern inventions in the laundry business.

WHERE SQUEAKS ARE FOUND

Sources of squeaks in the body of a car may be in the floor boards, which may be loose and rubbing together; in loose doors, windshield or brackets, the dash, particularly where it is secured to the body, where the body rests on the car frame or in the top bows and braces. All body squeaks are hard to locate, and especially so in an old car, when the body has sagged and settled.



DISTINCTIVENESS ENHANCES DESIRABILITY
CONVENIENCE CREATES COMFORT

Comfort for the wife and family; desirability as an investment or an asset if reverses should come—these are sufficient reasons for making that new home distinctive and convenient.

Of course you are going to build some day—why not now? Constructed with the aid of our Photographic Plan and Building Service, you will have these qualities in your home—for your enjoyment and for the admiration of your friends and neighbors. And there are types for every grade of financial ability. Better build modestly now than to waste the months and years waiting till "your ship comes in." This home may be the very "ship" you have long expected—in the harbor, but no place to dock.

Construct your home distinctively and conveniently—and immediately.

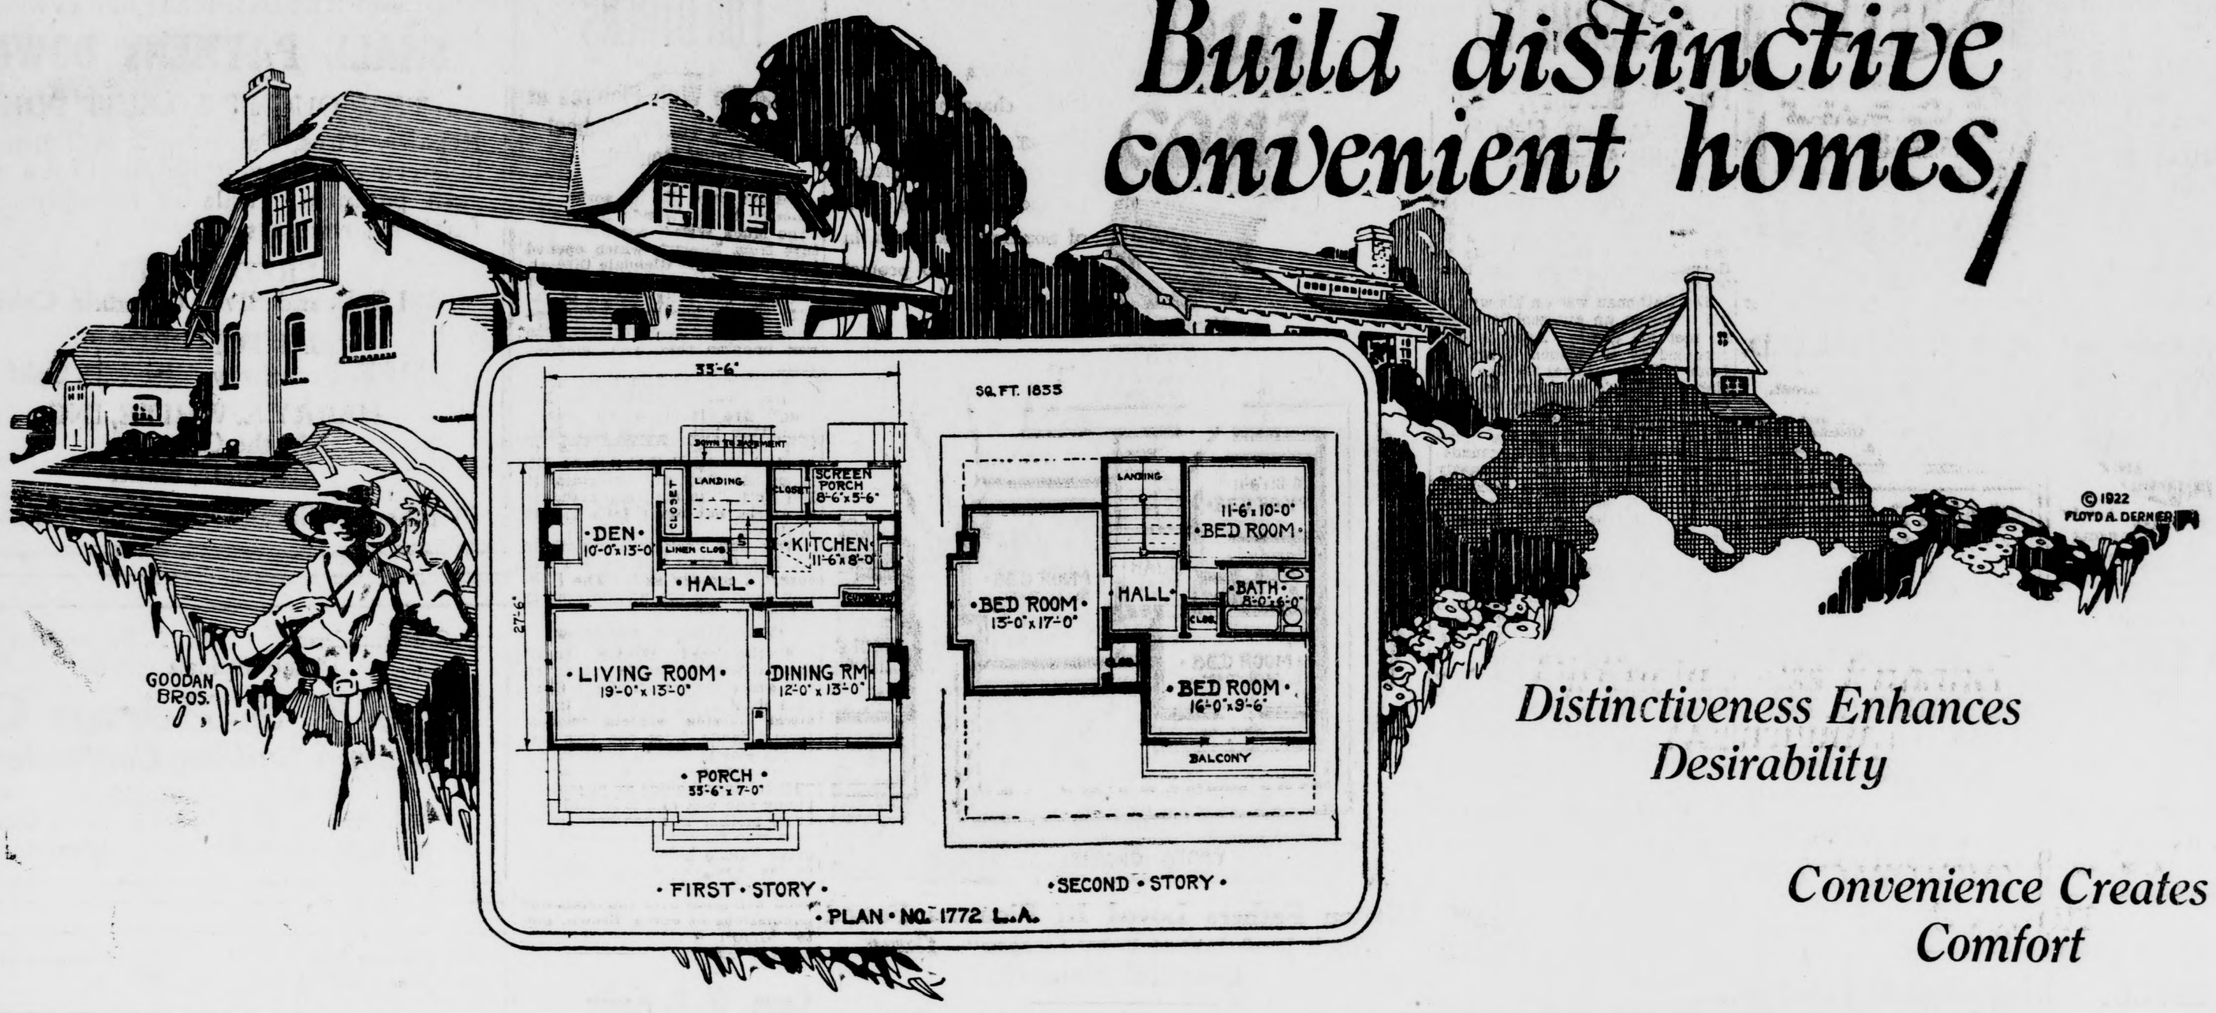
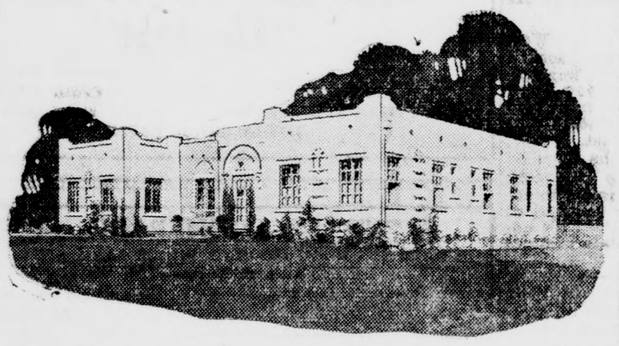
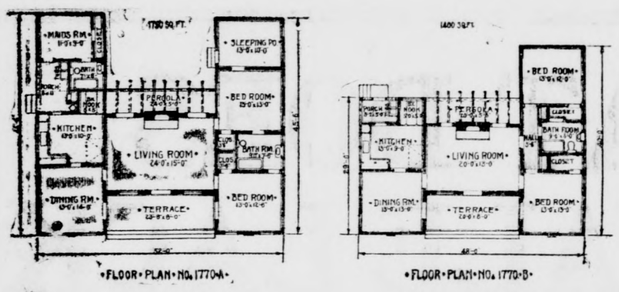
Build distinctive convenient homes



Distinctiveness Enhances Desirability

Convenience Creates Comfort





"Plan No. 1770-A—1770-B"

It would be hard to conceive of a more pretentious, distinctive and practical home than the one we are featuring above.

The alternate floor plans convey unique arrangement of rooms which are bound to please. They reflect compactness and feature time and labor saving conveniences which are the pride of the housewife.

The exterior is simple and yet attractive.

Address Home Building Editor for any information concerning these home plans.

"Build Distinctive, Convenient Homes"

Of course you are going to build a home some day—who is there who has not that ambition?

But, there are two kinds of dwellings which may be styled homes. One is put together on the one-unit plan—every house on the block alike as two peas in a pod. The other is to plan your home for distinctiveness—putting some of yourself into its construction. And there is a vast difference between them.

As you walk along the street, notice how the different houses will impress you. On one block the architecture is all of one type. You may depend upon it that the building was done by some company and the houses bought by their owners afterward. On another block you find variety, indicating that the home-dwellers had something to say when the structures were reared.

In which type would you prefer to spend the rest of your life? Would you need more than a thought to decide?

Distinctiveness in a home adds a thousand-fold to its desirability—as a place to live, or, on occasion, to sell. Let our home-builders consult with you—tell them your ideas and let them suggest how they can best be worked out—BUILD YOURSELF AND YOUR IDEALS INTO THE PLACE YOU ARE TO CALL HOME.

Then, when you get inside, you also find two types of dwellings. One is the staid, conventional one, with the rooms four-square, minus window seats and breakfast nooks, with the kitchen twice as large as it should be and with no thought to convenience and the saving of steps.

The other type is a really cozy, comfy, delightful place to spend a day or a lifetime. There is a living room with large windows, and opening off from it is a den, which can be made just what you or the wife want it to be. There are plenty of large and roomy closets; the cupboard and utensil containers are built in, saving room and labor; the bedrooms are light and airy and vary in shape, permitting the most delightful individuality in their furnishing.

Ah, this latter is the kind of a home I want—aren't you saying that now? Well, you can just as well have a distinctive, convenient home as the other kind. It costs little more, and the satisfaction which you will derive from it will repay you day by day, and every day, as you enjoy its beauties and benefits.

Start at once. Buy that lot today. Or, if you have the ground already secure, begin to plan the home that you will have, almost before you realize it, if you but start in earnest. Talk it over with the wife and the children. They will convince you if you have any remaining doubts.

The following progressive firms, organizations and citizens, recognizing the value of thrift as evidenced in home-building, and intensely interested in making this a city of real homes, recommend this action to every family which has not yet made the start. They advise that you put your surplus money into home-building materials at the earliest opportunity. So earnest are they in this wish that they have secured the services of competent home designers who will give their expert assistance in aiding you to plan your home. Address all inquiries to "Home Building Editor, care of this paper.

DR. RATHENAU OF GERMAN CABINET ASSASSINATED

Foreign Secretary, Chief Link to Allies, Slain In His Automobile

BERLIN, June 24.—Dr. Walter Rathenau, foreign secretary in the German cabinet and one of the foremost economic experts in Germany, was assassinated here today.

Dr. Rathenau was on his way to his office in an automobile when he met his death. Another car, occupied by three men, drove up from behind, overtaking the foreign secretary's machine. As they drew abreast the men opened fire, discharging ten shots from their pistols. Occupants of the murderers' car threw a hand grenade.

Dr. Rathenau was instantly killed. The assassins escaped. They are believed to have been led to commit the crime through brooding over Germany's present plight.

The report that the foreign secretary had been killed was not credited at first, for Dr. Rathenau was a popular official and democratic in his every day movements.

Held Allies' Confidence

The death of the foreign secretary removes the chief link through which amicable dealings have been carried on between Germany and the allies. Dr. Rathenau, more than any other German official, held the confidence of the allied statesmen. It was through his efforts that the German government was able to enter into a formal pact with France providing for the payment of a proportion of the indemnity in goods instead of gold.

Before becoming foreign secretary, Dr. Rathenau had served as minister of reconstruction. Previously Dr. Wirth, now chancellor, had held the post of foreign secretary.

Both before and after accepting the foreign secretaryship, Dr. Rathenau represented Germany in numerous conferences with the allies.

Dr. Rathenau was a strong supporter of Chancellor Wirth's policy of fulfillment, by which he hoped to placate the allies and eventually win a lightening of the reparations burden. His amicable dealings with the French resulted in a bitter attack upon his policy in the Reichstag but he successfully weathered the storm.

Riots in Reichstag

Turbulent scenes were enacted in the Reichstag this afternoon as a result of the assassination. Socialists attacked nationalist members, trying to drive them from the chamber. It took the president a quarter of an hour to restore order.

Chancellor Wirth revealed Dr. Rathenau knew his life was menaced.

"The foreign secretary was warned weeks ago," said the chancellor. "I believe this outrage was due to the unscrupulous propaganda of reactionaries and also to France's policy of hatred and suppression which is driving the Germans to desperation. I expect that my turn will come, too."

Business in Buicks Riding Along Easily

"Business good?" Ask W. A. Tanner that question and he will smile like the summer's sun and tell you it is.

Fact of the matter, Buick business is always good, but right now the local agency cannot obtain cars to supply the demand.

So they are taking orders, delivering just as fast as possible and enjoying the wonderful weather.

These are the days that everybody rides.

The fly's wing is one of the most perfect and delicate pieces of mechanism nature has ever produced.

STRONG CAMPAIGN UNDER WAY FOR PROTECTION YUCCA PLANT

This shows a girl—a most charming one—holding up one of the signs now being placed by the Automobile Club of Southern California in the campaign to protect the yuccas.

Mission Fathers Loved It; Pioneers Found Much to Admire; Why Destroy These Beautiful Blooms?

The California yucca is passing!

In the days when the padres and the dons traveled the King's highway from San Diego to the Mission of Saint Francis by the northern bay and later when the pioneers of '49 trudged over the western mountains with their patient, slow-moving oxen to the western land of promise, the stately yucca stood as sentinels of the ages on the pine fringed mountains and rolling hills.

The mission fathers had seen the yucca in Mexico before the coming into California and they loved it for its simple beauty and gazed upon its wonder in their long journeys from mission to mission. To the '49ers the yucca was a part of the wonderland that God had created on the shores of the great western ocean and they reverenced it with the Torrey pines, the sage covered mesas, the wealth of California poppies and the fields of brilliant wild flowers.

There is romance in every mile of California's vastness and the endowment of the past to the native or adopted son is the preservation of California possessions, landmarks and traditions.

The years have wrought their changes but the pines still guard the mountain heights, the sage still sends out its incense on the breeze from the ocean, the wild flowers still bloom in great abundance and the yucca blossoms forth on hill side and mountain crest.

Evolution has brought with it a certain indifference on the part of man for the rights and beauties of nature. Modern life has brought the ambition of possession, whether it be an estate on a great avenue, or the yucca plant, uprooted from its home on the mountain side and jolted along on the running board of a car through the dust and heat of the road to wilt and shrivel in an hour's time. Because man must possess, the California yucca is passing!

Shall it be the hand of law, or a spirit of reverence for the endowments of nature to this great western land that shall stop the extermination of the yucca plants from the mountains and hills of California? The law can only threaten and take its course in some cases, but it is a pride in the natural beauties of this great state, inspired by the spirit of the early days, that will preserve for California her landmarks and possessions.

Californian or adopted son, spare the yucca!

WANTA BE THIN?
SEE T. D. & L. FILM

'For the Defense,' Starring Ethel Clayton, on the Bill With Comedy

Every woman is interested in "How to Grow Thin." The T. D. & L. theater is showing a remarkable special film on the subject and will doubtless be seen by most of the femininity in Glendale. It is truly the real thing. Go see it. In addition to "How to Grow Thin" Ethel Clayton in "For the Defense" is the featured film. With the most amazing and daring climax ever conceived. With a popular star, a great cast, and a story thrilling to the last degree, it is Ethel Clayton's biggest picture.

Sunday's Program

Here's a big, red-blooded picture you'll revel in!

A sweeping romantic melodrama that carries you out to a spot in the west where men and women live and love as they did in the golden days.

See the hard-riding, two-gunned heroine avenge herself upon her father's slayer and win the man of her heart. Dorothy Dalton's greatest picture, actually filmed where the coyotes howl, "The Crimson Challenge at the T. D. & L. theater Sunday.

FUN FOR MARRIED MEN, VARIETY FOR OTHERS

Vaudeville With Pictures at Glendale Today; 'School Days' Coming

Do you take life too seriously? Then go to see Wanda Hawley in "Too Much Wife," her latest picture from Realart, which opened last night at the Glendale theater.

It's a sure cure for blues or brainfag, this jolly comedy of the wife who insists upon being too indulgent with her husband. Can you imagine that, you married men.

Sperry and Bell in their novel oddity, "The Awakening of Big Ben," are included on today's vaudeville bill. Chase and Janis will contribute "dainty bits of musical chatter" that are as different as they are entertaining. Bill Lott, "the mad musician," is eccentric, but never fails to win applause.

Van and York will contribute "A Fat Chance and a Slim Excuse," a comedy skit. The Sterling Rose trio are unique novelty gymnasts.

"School Days" Tomorrow

Freckle-faced Wesley Barry, the inimitable movie celebrity, will grace the screen of the Glendale theater, all next week in his latest starring vehicle, "School Days," made from the Gus Edwards classic of the same name.

The very mention of the words "School Days" holds an appeal for young and old, and it is said that every mother who has boys, every man who remembers his boyhood, every human being who can thrill to the joys, the disappointments, the pranks and the glory of boyhood will gloat over the trials and tribulations of Speck Brown, better known to the screen world as Wes' Barry.

Capt. W. B. Kelly Buys Maroon Buick

Capt. W. B. Kelly of 106 West Colorado street has purchased a new Buick roadster from Ray Galvin of Tanner & Hall, 237 South Brand boulevard.. It is said to be the only car in Glendale with a maroon body. Capt. Kelly, who is president of the Glendale Progressive Club, has promised to take all its members out to admire the easy riding qualities of his new "land ferry." He admits that the real estate business is good.

Bats are directed in their flight by a special sense of hearing and by sound waves.

Locals and Personals

Mr. and Mrs. R. T. Lyans of 511 North Jackson street have returned from a several days' trip to Riverside.

Mrs. W. E. Cleveland of 417 West Lomita avenue has returned from a pleasant week's outing at Balboa Beach.

H. F. Croft of 1753 Gardena avenue returned last night from a business trip to Lancaster, Mojave, Palmdale and vicinity.

Mrs. C. A. Rudel of 315 West Vine street, enjoyed a short visit early this week with Misses Josephine and Ida Ketter of Peoria, Ill.

Miss Ida Glover of Beatrice, Nebraska, is a guest of Mrs. Cady and Miss Martha Cox of 624 South Central avenue. She will be here about a week.

Mr. and Mrs. Claude Putnam of 424 North Glendale avenue have returned from a delightful four-days' cruise with a yachting party aboard the "Mary" to Catalina and the Isthmus.

Mary Kermott who has been residing for the past year with her grandparents, Dr. and Mrs. E. P. Kermott of 416 North Jackson street, left yesterday morning for her home in Wisconsin.

Onsbury Jameson of Minneapolis, Minn., has been a guest this week of Mr. and Mrs. Andrew McIntyre of 718 East Harvard street. Mr. Jameson came to California for the recent Shrine convention.

Mr. and Mrs. Peter Diederich of 1526 East Colorado street, accompanied by Mrs. Diederich's aunt and mother, Mrs. F. R. Peyton and Mrs. F. B. Phillips, enjoyed an over-night trip to Santa Barbara recently.

Mrs. E. S. McKee of 130 West Chestnut street, who recently underwent an operation at the Glendale Sanitarium and Hospital, is improving nicely and will be able to be brought home the later part of next week.

Mr. and Mrs. R. L. Holland of Kenneth road will entertain at their cottage at Manhattan Beach over the week-end for Miss Bessie M. Hill and her sister, Miss Esther Hill. The latter arrived yesterday morning from Missouri.

Mr. and Mrs. George Damon of 1001 South Central avenue entertained as their guests at dinner Wednesday night Mr. and Mrs. Dickerson, Mr. and Mrs. C. Adams, Mr. and Mrs. E. Simon and Mrs. C. Smith, all of Los Angeles.

Mrs. E. Z. Bacon and family of 1335 San Fernando Road are enjoying a summer outing at Redondo Beach. Mrs. Bacon plans to return home Sunday, but her daughter, Miss Regina, will stay at the beach for two weeks.

Douglas Fairbanks is reported "Robin Hood-ing" about Verdugo Woodlands this past week. Surely, it is a picturesque spot for sylvan scenes and Doug can cavort about in an atmosphere here that will outdo merrie England.

Mr. and Mrs. T. P. Treynor, who came out from Sioux City, Ia. for the recent Shriner gathering in San Francisco, have been guests of Mr. Treynor's sister, Miss Cora Treynor of 402 East Chestnut street. They left last night for their Iowa home.

Mrs. Eugene Brown of 321 South Lincoln avenue, entertained informally Wednesday with a luncheon and social afternoon. Her guests were Miss Emma Dick of Los Angeles; Mrs. Ernest Dick of Quincy, Ill., and Mesdames L. F. Shaffer and Louis Kesting of Hollywood.

Mrs. Marshall Pearson of 106 East Wilson avenue, who returned recently from Imperial Valley where she had been on a business trip with her husband, is spending some time at Manhattan Beach, as the guest of Mrs. Guy Pearson of 204 Twenty-first street, Manhattan Beach.

Evart O. Brown, son of Mrs. H. L. Brown of 1037 San Rafael avenue, is being welcomed back to Glendale by his friends here. Mr. and Mrs. Brown arrived this week from Fresno, where they have been in business. They are guests of Mr. Brown's mother and expect to make their permanent home here.

Robert Holland, son of Mr. and Mrs. R. L. Holland of Kenneth road entertained as his guests at dinner Thursday night preceding the high school graduation exercises Miss Bessie M. Hill, who has been elected to teach history in Glendale Union High school next year, Miss Marjorie Kendall and Maynard Toll.

Mr. and Mrs. Albert E. Angier of 612 North Orange street entertained the fore part of this week with a jolly informal party, their guests being a group of Pasadena friends, Mr. and Mrs. E. F. Coop, Mr. and Mrs. Clarence Salisbury, Mr. and Mrs. Graham Beck and Mr. and Mrs. Paul Deming. Dancing and a social evening were enjoyed.

Fenton McCreery of Flint, Michigan, who was a delegate to the Rotary club convention in Los Angeles, was a guest this week at the home of his cousin, A. M. Draper of 534 North Kenwood street. Mr. McCreery was American minister to Santo Domingo and for a number of years has been in government work both in America and in Mexico.

The 300th application for membership in the Glendale Chamber of Commerce to be received this year came in unsolicited. A. L. Lamoreaux of the Palace Dry Cleaning and Hat Works, 209 N. Glendale avenue, in the heart of the city's original business section, invited himself in, much to the pleasure of Assistant Secretary Sanders, who is in charge of memberships.

Locals and Personals

Russell Tummel, who has been in Imperial valley on a business trip, is spending the week-end with his mother, Mrs. Elizabeth Tummell, of 1504 South Brand boulevard.

Mrs. A. L. King of 1119 South Brand boulevard, who has been ill at her home with sciatica for the past eight weeks, is much improved and is now able to be about.

Mrs. H. M. Doll with her little daughter, Catherine, is leaving Monday for San Francisco, where they will spend the coming week as guests of friends.

Mrs. Mattison B. Jones, president of the Glendale Music Club, is to give a brief talk at the First Presbyterian church tomorrow night on "Better Things Musically."

Young people of the Epworth league of the Pacific avenue Methodist-Episcopal church are to meet Monday evening at 5 o'clock in Echo Park, Los Angeles, for a picnic supper.

Mr. and Mrs. Daniel Webster of 1012, South Central avenue, entertained as dinner guests last night, Fred Webster of Burbank, and Mr. and Mrs. Frank Lebow of Salida, Kansas.

Miss Mildred Love, of Springfield, Ill., arrived last night and will spend the summer in Glendale as the guests of her uncle and aunt, Mr. and Mrs. Thomas G. Love, 220 West Elk avenue.

Miss Margaret Frazee and brother, Robert Frazee, who have been guests for the past week at the home of Mr. and Mrs. E. Schuyler, 330 Ivy street, left this morning for their home in San Diego.

Mr. and Mrs. Robert T. Neil, Miss Anna Hargrove and Dr. Margaret Sawyer of Ashland, Oregon, arrived Tuesday by automobile and are guests at the home of Mrs. Adelaide H. Imler, 336 West Park avenue.

Dr. William C. Mabry, of 115 East Acacia street, is in the Glendale Sanitarium and Hospital and is reported seriously ill. He is a member of the executive board of the American Legion's general building committee.

Mr. and Mrs. L. P. Abell of 3444 Atwater avenue entertained as their guests last night Mr. and Mrs. Blake Franklin, Mr. and Mrs. C. M. Van Dyke, Mr. and Mrs. A. R. Chappell. This was in the nature of a celebration in honor of the birthday anniversary of Mr. Chappell.

Miss Mona Gardner, dramatic instructor at Glendale Union High school for the past year, gave a very interesting recital at 11 o'clock this morning at the studio of Miss Frieda Peycke, Tajo building, First and Broadway, Los Angeles, which was attended by a number of her Glendale friends.

Dr. and Mrs. E. F. Richman and daughter, Miss Lorna Richman, left today by automobile for a two weeks' vacation at Yosemite. During their absence Mrs. Susan Nethery of Hollywood and relatives from Philadelphia will occupy their home, "Casa Contente," on North Verdugo road.

Mr. and Mrs. Porter M. Custer of 1119 South Brand boulevard and Baron and Baroness de Ropp of Glendale, were guests at a very brilliant reception given last night at the home of Mr. and Mrs. Gordon McLeod Thorpe, Occidental boulevard, Los Angeles. The guests included a number of distinguished artists and musicians.

"The Immediate Future," was the subject discussed last night by Mrs. McClennan of Krotona, Hollywood, at the meeting of the Glendale Theosophical society in the Chamber of Commerce building. Forty attended the meeting, which is the final gathering of the society until after the summer. Prof. A. W. Jenkins was also a speaker and Mrs. Anna Brinkley of Hollywood was one ofthe special guests.

That Ford sedans have an affinity for each other is the experience of H. J. Blackmore and Alfred R. Johnson of the Suburban Realty Co., 508 South Brand, and G. Weyer, proprietor of "Buddy's" cafe at 212½ South Brand. Yesterday morning the sedan piloted by Mr. Weyer, plunged into the rear of Mr. Blackmore's car just as he was rounding Mr. Johnson's sedan on Brand, just south of Lomita. Mr. Blackmore's sedan was shoved into Mr. Johnson's, which was pushed onto the curb. Damage consisted of crushed fenders, a cut tire and broken wheel and minor breakage.

Locals and Personals

Shirley Matthews of Powers, Ore., is visiting Glendale friends.

Mrs. S. A. Carpi of 1611 South Glendale avenue underwent an operation at a nearby hospital Thursday and is gettiing along nicely. She will be able to be brought home in about two weeks.

Mr. and Mrs. W. P. Clover of 348 West Patterson avenue and Mr. and Mrs. L. P. Clover of 947 North Louise street enjoyed a picnic party at Brookside park on Thursday.

J. McDonnell of Kirkwood, Mo., arrived yesterday for a month's visit with his brother and sister-in-law, Mr. and Mrs. F. M. McDonnell of Dayton Court. Mr. and Mrs. McDonnell recently returned from a vacation motor trip as far north as San Francisco.

Mrs. C. R. Carmack and Mrs. J. C. Pollock of 811 South Central avenue, left last night for Texas and Indiana. Mrs. Carmack will leave Mrs. Pollock in Texas to visit relatives. Mrs. Carmack will go on to Indiana for a summer visit.

Mr. and Mrs. W. M. Brown and daughter Rosita, of 309 North Brand Boulevard, left Wednesday morning for the east, where they will make a sojourn of two months or more, visiting in Canada, Boston and various other points of the far east.

Mrs. Thomas Milton Cox of Paris, Texas, is a guest for several days at the home of her sister, Mrs. R. E. Downing, of 206A West Hawthorne street. Mrs. Cox will spend the summer with her parents, Capt. and Mrs. A. A. Lesueur, of Burbank.

Mrs. Elizabeth Kretz and Miss Beryl Campbell, of 133 South Maryland avenue, will leave tomorrow for a two months' visit in Terre Haute and Indianapolis, Ind. They will travel via the Union Pacific. Terre Haute is the childhood home of Mrs. Kretz.

M. B. Hartmann of 104 North Everett street will leave tomorrow evening from Wilmington, aboard the S. S. Ecuador, for Boston, Mass. Mr. Hartmann will also visit his daughter, Mrs. E. R. Lott, at St. Paul, Minn., and other eastern points before returning to Glendale in October.

Mrs. Jack Lundregan of 308 East Maple avenue, attended the commencement exercises at Ramona Convent, near Alhambra, Wednesday of this week, where she was the guest of her niece, Mary Louise Fritz, of Los Angeles, Miss Fritz was awarded first medal in music, also in Latin.

Mr. and Mrs. S. E. Brown were pleasantly surprised with an informal social affair last evening at the home of Mrs. Harry Wesley at 1235 South Maryland avenue. Those enjoying Mrs. Wesley's hospitality were Mr. and Mrs. Frank Ashton, Mr. and Mrs. Moody and daughter Mildred, Mr. and Mrs. Goldsbourough, William Malcolm, Mrs. Ayers and Mr. and Mrs. Harry St. Clair.

Mr. and Mrs. J. Nichols of 539 North Kenwood street returned home Friday afternoon from a 400-mile motor trip south. They left home early Tuesday morning and motored through the orange empire to Elsinore and from there on down by the inland route to San Diego and Coronado. They drove back by the coast route and report ideal weather conditions in the south.

The Day & Night Garage at 217 East Broadway suffered a wrecked front door yesterday when Mrs. B. M. Sell of Tujunga attempted to pilot her car into the garage and miscalculated the distance from the side of the door. The door was torn loose and the jamb pushed back into the building. Damage to the auto consisted of a bent right front fender and bent steering rod.

Mr. and Mrs. C. A. Redmond of 331 West Harvard street are making plans to leave Glendale about July 5 with the special Elks train for Atlantic City, where they will attend the national Elks convention. Mr. Redmond is district passenger agent for the Union Pacific and will have full charge of this train from the time it leaves Los Angeles until it reaches its destination.

The warning issued by Fire Chief A. H. Lankford seems to have had some effect in cutting down the number of grass fires, according to the chief. Only one call has been received in more than two days, he says. The department answered a call at 12:15 p. m. yesterday to extinguish a grass fire on a vacant lot at 541 West Vine street. The fire started from burning rubbish, but gained little headway and was out before it reached any buildings.

G. W. Rich, Captain Robert A. Tighe, S. J. Schultz and J. T. Smith of Glendale and C. E. Taller of San Diego, have returned from a most successful fishing trip to Big Bear Lake. They had unusually good luck and obtained the limit several times. Near Big Bear Lake the automobile in which they were riding was forced into a snow bank to allow another machine to pass. However, they state that the snow is rapidly being cleared away from the road by workmen.

R. E. Downing of Downing & Cox Nursery, 118 South Brand boulevard, was pleasantly surprised at his home, 206 A West Hawthorne street, by a group of friends last night. The occasion was in celebration of his birthday anniversary. Those present included Mr. and Mrs. R. E. Downing, Mr. and Mrs. William McMillan, Mr. and Mrs. B. O. Holbrook, Mr. and Mrs. Robert Dean, Mr. and Mrs. George Neill, Mrs. Nellie Squire and Miss Jennie Bell. The guests brought their refreshments and a pleasant social evening and cards were enjoyed.

Local Church Announcements for Sunday

FIRST METHODIST EPISCOPAL

Corner Kenwood and Wilson. Clyde M. Crist, D. D., pastor. Carl C. Seitter, A. B., director of religious education. A. W. Tower, superintendent of Sunday school. Sunday school meets at 9:30 with fully graded departments and classes for all. We invite all who are not attending elsewhere. 11, morning preaching service with sermon by the pastor. "I, Approved of God, Not Ashamed," is the subject. Intermediate and Epworth Leagues extend a hearty welcome to all who come. These meetings are at 6:15. 7:30, organ recital by Mrs. Ripley; 7:45, evening worship; Dr. A. W. Lamport of Vincent M. E. Church, Los Angeles, will be the preacher. Music for the day is as follows: Prelude, "Offertoire in E Flat" (Dubois); anthem, "They That Trust in the Lord" (Frey); solo, "Sheep and Lambs" (Homer), Miss Isabelle Isgrig; postlude, " Festive March" (Rogers). Evening, organ. Melody in C (Hanforth); serenade (Chaffin); anthem, "Seek Ye the Lord" (Roberts); baritone solo, "A Clean Heart" (Byshe), Dr. Raymond Lusby; postlude, "Allegro" (Guilmant).

Duet, "Jesus, the Very Thought of Thee" (Marston), Mr. and Mrs. Cavanah. Contralto solo, "O Rest in the Lord" (Mendelssohn), Mrs. Howard E. Cavanah. 6:30, Christian Endeavor at 370 Salem street. Topic, "Japan, a Missionary Story." Leader, Stillman Chase. Wednesday, 7:30, Prayer meeting at the home of A. E. Angier, 612 North Orange street.

TROPICO PRESBYTERIAN

Central avenue and Laurel street; James F. Winnard, minister. The pastor will speak at both morning and evening service, "Jesus Is the Christ. The sacrament of the Lord's supper will be administered in connection with this service. Evening worship at 7:45; sermon, "Husks That the Swine Did Eat." Y. P. S. C. E. at 6:45 p. m. and Sabbath school at 9:45 a. m. All are welcome.

PACIFIC AVE. METHODIST

ley G. Preston, pastor. A community church. Sunday services, Sunday school, 9:30 o'clock. John Camphouse, superintendent. Morning worship, 11 o'clock. Subject, "The King's Basket." Teacup hour, 5:30 o'clock. Program and refreshments in charge of Mr. and Mrs. Donald Magill. Epworth League, 6:30 o'clock. Evening service, 7:30 o'clock, topic, "The Great Jubilee." The choir under the direction of Mr. George H. Moore, will provide special music morning and evening. Everybody welcome.

ST. MARK'S EPISCOPAL

Corner Louise and Harvard streets. The Rev. George W. Cornell, D. D., officiating. Church school at 9:45 a. m. Morning prayer and sermon at 11 o'clock. Miss Lilla Litch, director of music. Mrs. Joseph Kitt, organist. Prelude, Fantasia and Fugue (Gibson); processional, The Church's One Foundation. Venite (Crotch), Te Deum (Kotzschmar), with soprano solo, Miss Louise Ayala and baritone solo, H. E. Townson. Jubilate Deo (Aldrich) introit hymn, Blest Be the Tie that Binds. Sermon subject, Steadfastness. Duet, Come Unto Me, All Ye That Weep (Faure), Miss Dorothy Hunt and Mr. Townson. Recessional, Go Forward, Christian Soldiers. Postlude, Marche Religieuse (Guilmant). This Sunday concludes Dr. Cornell's services of St. Mark's. A cordial invitation is extended to all.

CENTRAL CHRISTIAN

Corner Louise and Colorado streets. Clifford A. Cole, minister. Mrs. Calvin Whiting, choir director. Rev. Geo. L. Snively, Lewistown, Ill., will preach at the morning service on "A Soldier's Farewell." Mr. Snively is assisting in the dedication of the new church which will occur July 2nd. He is well known in Southern California. At night, the minister will deliver the last sermon to be preached in the old building and a great farewell service will be held. Bible school, 9:30; morning sermon and weekly communion service, 10:30; Young People's meeting, 6:30, and night service and sermon, 7:30. Everyone will be welcome.

GLENDALE PRESBYTERIAN

"Church of the Lighted Cross," Broadway at Cedar. Rev. W. E. Edmonds, pastor. Rev. Louis Tinning, assistant pastor. Morning worship, 11 o'clock, the pastor's sermon theme, "Experience," the fourth in the series on the general subject of "Harmonies." In the evening his subject will be "A Young Man Out of Tune" (Five Strings). A special invitation is extended to the young men of the city to attend this service. Sabbath school for all classes, 9:30 a. m.. H. L. Finlay, superintendent. Men's Bible class meets in the city hall at the same hour. All men welcome. Special midweek service, Wednesday, 7:30 p. m. W. P. White, D. D., formerly pastor of the United Presbyterian church, Albany, Ore., and one of the leading speakers of the World's Conference on Christian Fundamentals, which will be held in the Bible Institute June 25-July 2, will be with us next Wednesday evening. Dr. White is a very strong speaker, and the public in general is invited to hear him. The musical program for Sunday, arranged under the direction of Mrs. Fannie Marple Retts, will be as follows: Morning: Prelude, "Morning Prayer" (Mendelssohn); anthem, "Come, Holy Spirit" (Emerson), Mrs. Cole, soprano; Mrs. Retts, contralto; Mr. Huddy, tenor; Mr. Marple, baritone; tenor solo, "Still, Still with Thee" (Hawley), Mr. Huddy; postlude, "Cujus Animam" (Rossini). Evening: 7:15, Organ Recital (a) "Madrigal" (Simonetti), (b) "Offertoire in G" (Batiste), (c) "Venetian Song" (Nevin); quartet, "The Rock of Our Salvation" (Lorenz); offertory, "Prayer" (Reinecke); quartet, "For Me There Are No Shadows" (Kirkpatrick); tenor and baritone duet, "Drifting" (Ackley). Mr. Huddy and Mr. Marple; postlude, "Postlude" (Gluck).

CHRISTIAN SCIENCE

First Church of Christ, Scientits, corner Maryland and California avenues. Services Sunday at 11 a. m. and 8 p. m. The lesson sermon, "Christian Science," is from the Christian Science quarterly Bible lessons. Sunday school at 9:30 o'clock. Reading room, Room 12, Ralphs Bldg., Broadway at Orange street. Open daily except Sunday and holidays from 12 to 5 o'clock. Also every Tuesday, Thursday and Saturday evenings from 7 to 9 o'clock.

NEW THOUGHT CENTER

Masonic Temple, Brand boulevard, Sunday, 11 a. m., subject, "The Cultivation of Intuition," by Dr. Frank Riley.

HOLY FAMILY CATHOLIC

Elk avenue and Louise street. Rev. James S. O'Neill, parish priest. Sermon in English. Mass at 7:30 a. m. Sunday school at 8:30. Mass at 9:30 a. m. Everybody welcome.

CHRISTIAN AND MISSIONARY ALLIANCE

The Christian and Missionary Alliance is fraternal and interdenominational, working for the promotion of the pure gospel of Jesus Christ at home and abroad. Orthodox, scriptural, spiritual and loyal. The message is: Jesus Christ, the Saviour, Sanctifier, Healer and Coming King.

Week of June 25 the following program will be observed: Sunday school, 9:45 a. m.; sermon, Rev. Phillip Hinkey, 11 a. m.; Young People's Society, 6:30 p. m.; evening sermon, Rev. Hinkey, 7:30 p. m.; Bible lecture, Rev. Geo. W. Davis of Los Angeles, Tuesday, 7:30 p. m.; women's Bible class at home of Mrs. J. Rhea Baker, 331 N. Maryland, Wednesday, 9:30 a. m.; prayer meeting, Tabernacle, Thursday, 7:30 p. m. A very cordial invitation is extended the public to visit any or all of these meetings.

First Of All— It's Clean

The first thing you'll notice about your family bundle when it comes home to you—is its cleanness, from its crisp paper wrapper all the way through.

—It not only looks clean—it breathes cleanliness.

—And our whole plant is just like that—clean in every nook any corner; clean in its personnel; clean in its ideals of service.

—Send us your family bundle—then drop in any day and see how we launder it for you.

—You, too, will then understand why this laundry is the choice of so many discriminating people.

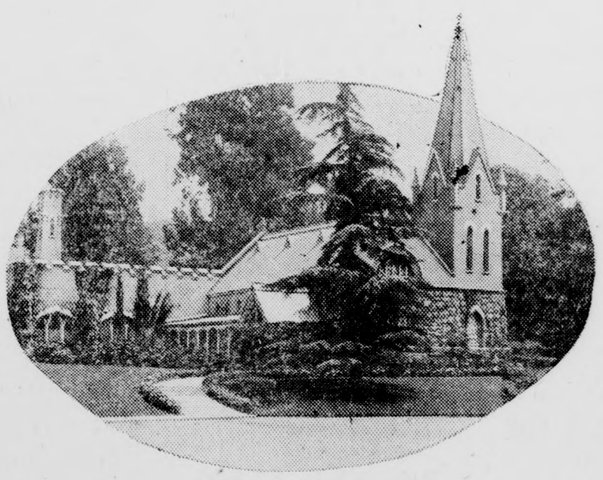
Births

A nine-pound baby girl arrived last evening, Friday, June 23, 1922, at the home of Mr. and Mrs. Clark Conner, 622 East Lomita avenue.

National hatreds are always strongest where culture is lowest.

Beautiful Forest Lawn
"Among the Hills"



Flowers Bloom the Year Around

The shrubbery is forever green under the Southern California skies at Forest Lawn. The green hills stand as sentinels sheltering this beloved spot from the chill northwest winds and from the noise and bustle of the work-a-day world.

The world over can offer no more attractive final resting place.

Everything that art, science and loving care can devise has been planned for different forms of burial—be it earth burial, mausoleum crypt, cremation, columbarium niche or private vault.

Every department of Forest Lawn is under one management and operated under one overhead expense—a decided economy, by which every purchaser is benefited.

No. 106,842
ORDER TO SHOW CAUSE
In the Superior Court of the State of California, in and for the County of Los Angeles
In the matter of the application for change of name of Neale & Gregg Hardware Co., a Corporation:
Notice is hereby given, that the Neale & Gregg Hardware Co., a corporation organized and existing under and by virtue of the laws of the State of California, has presented to the Superior Court of the County of Los Angeles, State of California, and filed its petition praying to be allowed to change its corporate name from Neale & Gregg Hardware Co., to "D. L. Gregg Hardware Co.," and upon reading and filing said application, it is hereby ordered, adjudged and decreed, that all persons interested in said matter appear before the above entitled court in Department Ten thereof, in the County Court House in the City of Los Angeles, State of California on the 11th day of July, 1922, at the hour of 11:00 o'clock a. m., of said day, or as soon thereafter as counsel may be heard, to show, if any there be, why the application for change of name as prayed for in said petition should not be granted.
It is further ordered, adjudged and decreed, that a copy of the foregoing order to show cause shall be published once a week for four consecutive weeks in The Glendale Evening News, a newspaper printed and published within the County of Los Angeles, State of California.
It is ordered, adjudged and decreed, that any person having objections to the granting of said petition may at any time before the date set for the hearing thereof, file in said court and said cause his objection thereto.
Dated June 9, 1922.
FRANK R. WILLIS,
Presiding Judge of the Superior Court of the State of California, in and for the County of Los Angeles.

Action Is My "Slogan"
Just Watch Me Go!
My Rig Is Completed!
My Boilers Will Be Set Monday!
My New Standard Rotary Drilling Equipment Will Be Delivered Wednesday.

My fifteen picked men are **raring to go** and will start rigging up the minute my machinery is on the ground, and every man on the job will have but one object, and that is **"make good" my promises to you.**

I am calling for $175,000.00 to insure the completion of this well and my incentive in asking this amount is to be in a position to **protect your investment** no matter what conditions may arise. My sincere promise to you is that I will **complete this well and put her on production, and I stake my reputation, my greatest asset, on this promise.**

I am not asking you to come in and drill a **"Wild Cat"** or put down a well on a **town lot,** but I am asking you to **participate with me** on a well on a piece of acreage for which I paid 30% royalty and **$30,000.00 of my hard-earned dough** to the Globe Petroleum Corporation and for which I have refused **$100,000.00** since **the big 4000-barrel Agee well on the General Petroleum Corporation came in offsetting my property.**

And what am I offering you for your confidence and support in this project? My answer is: **For every $100.00 invested you receive one-1750th part of 70% of my total net production legally assigned to you, and held in trust by one of the leading banks of Los Angeles.** The proceeds of this 70% distributed by this bank pro rata **every thirty days** as it is paid to them by the pipe line company. **Every $100.00 you invest with me I confidently believe will bring you a return of thirty to one.**

Folks, this is the first time in my career of fifteen years in the oil fields that I have had the chance to come before you and offer you **an opportunity that right down deep in my heart** I believe will bring you returns far greater than your fondest expectations.

Well do I know that you have taken a chance before. Perhaps many chances that have never brought you back a thin dime, **but if my messages will only instill the confidence that I feel** that I am justified in asking, you will not hesitate to reach for the old check book **and mail your check to me today,** or come and meet me personally and **give me a chance to get you even.**

UNIVERSAL TRAFFIC LAWS URGED BY POLICE CHIEFS

Col. J. D. Fraser Tells of National Convention In San Francisco

(Continued from Page 1)

We had a letter from Attorney-General James Daugherty in which he agreed that this was the only practical way to handle the situation.

"A uniform system of filing police records and a uniform equipment for police officers all over the country was recommended. Policemen in San Francisco are all wearing army uniforms right down the line. Of course, the insignia has been removed.

"It was recommended that the police matrons' association should be encouraged and policewomen should have charge of all women and boys under twelve years of age.

"California chiefs, sheriffs and peace officers met in a section of the convention. They seemed to think that crime is prevailing much the same all over the country, although they agreed that it is worse in the east on account of the financial depression and the foreign element. Stronger investigation before granting naturalization papers was recommended. Carrying concealed weapons was denounced strongly."

Col. Fraser was accompanied by his wife and nephew, Kenneth Jackson.

S. S. BERAN CO. BUSINESS GROWS

Local Contracting Firm Increases Yard Space and Equipment

The S. S. Beran company, local contractors with offices at 305 South Brand, has purchased the building, lease and equipment of the Smith & Barnett plastering contracting organization at 108 West Colorado street. The addition of more yard space and equipment was made necessary, according to S. S. Beran, because of the increasing amount of building being done by his company.

W. A. Beran, formerly an aviator at March Field, and a brother of S. S. Beran, recently joined the company and is now actively engaged with his brother in the business.

The company, says S. S. Beran, has completed all out of town contracts, and now expects to devote its time exclusively to the building of better homes in Glendale. All work, he says, is to be under the direct supervision of either his brother or himself.

The equipment which was purchased from Smith & Barnett included an automobile truck. This makes three trucks in use by the company, and it is still almost swamped with work, according to S. S. Beran. The business is growing so fast, he says, that only by the most diligent sort of work will they be able to keep pace with it.

Mrs. Francis Gordon Entertains at Shower

Mrs. Francis Gordon of 334 West Elk avenue entertained with a very delightful miscellaneous shower and bunko party at her home last night in honor of Miss Dorothy Hunt, who is soon to become the bride of Al. Sullivan. A color scheme of pink and white was carried out in the decorations of sweet peas and other flowers, and also in the small white bells and crepe paper festoons hung in the doorways.

The first part of the evening was given over to social conversation, followed by bunko. Mrs. Louis Lewis was awarded first prize for high score and Miss Louise Ayala was given consolation prize. Tally cards were decorated with hand-painted pictures of brides. Delicious refreshments of ice cream, cake and candies were served by the hostess.

The guests included Miss Dorothy Hunt, Mrs. S. Cook, Mrs. Theodore Soderberg of Hollywood, Mrs. Bertha Wilson, Mrs. Louis Lewis, Mrs. E. W. Hunt, Miss Corinne Orff, Mrs. William Sullivan, Miss Louise Ayala, Miss Ruth Ryan, Miss Grace Crampton, Miss Lillian Schich, Miss Naomi Eastman, Miss Isabel Yates and the hostess, Mrs. Gordon. Gordon Cook acted as the little messenger boy who delivered a large basket, filled with many useful and pretty gifts, to be bride-to-be.

Mr. and Mrs. Olson, Just Wed, Surprised

Mr. and Mrs. Lawrence Olson, who were recently married, were pleasantly surprised at their new home on Green street last night by a party of friends and employes of the Brand boulevard branch of the Los Angeles Trust & Savings bank, where Mr. Olson is manager of the escrow department. The newly-weds were presented with a beautiful gift of a pitcher and creamer in the gold lustre finish china.

The guests included Mr. and Mrs. D. H. Smith, Mr. and Mrs. Homer Wellman, Mr. and Mrs. George Reimer, Miss Nell Bagnell, Miss Ethel Resor, Mrs. Edith Gregg, Miss Peggy Fenton, Miss Christine Ferris, Miss Erma Standlee, Miss Ella Hinkle, Mr. Purger, Guy Kramer and George Thomas. Mr. Thomas presented the gift on behalf of the guests. The evening was spent in music and dancing, during the course of which refreshments were served.

Friends of College Days Hold Reunion

Mr. and Mrs. Frank Lebow of Salina, Kansas, were luncheon guests yesterday of Mrs. Emma Sudlow of 202 East Garfield avenue, who is a friend of their college days. They were guests for the afternoon of Mr. Lebrow's cousin, Mrs. John W. Sharpe, of 705 South Glendale avenue.

Mr. and Mrs. Lebow were members of the delegation from Salina who attended the Shriners' convention at San Francisco, and are guests this week at the home of Mr. Lebow's mother, Mrs. H. F. Hutchison of Bell, Calif. Mr. Lebow is supervisor of music of the Salina high school.

Lacey Hoge Leaves For Veterans' Meet

Lacey Hoge of 431 West Colorado boulevard, a student of undertaking, under the federal board for vocational education at the Pulliam-Kiefer & Eyerick chapel here, left last night by boat for San Francisco to attend the national convention of Disabled American Veterans of the World War.

Mr. Hoge is well known for his active work in the American Legion here and he will represent the Los Angeles chapter of Disabled Veterans. He was elected delegate at a meeting held in the city yesterday afternoon and left on two hours' notice.

Casey Jones Speaks at Long Beach Pier

James Casey Jones, Glendale's engineer - evangelist - lecturer, of 405 Oak street, is to lecture in Long Beach Sunday afternoon on the subject, the "Perfect 'Plan for Peace." The address will be delivered at the Long Beach auditorium on Pine avenue pier at 3:30 p. m.

Mr. Jones returned some time ago from a trip through Texas and other states in the south and southwest, giving his lecture in many towns and cities. He is planning to start soon on another trip, this time probably to the northern part of the state and on through the northwest.

INVESTORS ARE PLEASED

Local stockholders of the Metcalf-Hinckley Oil company have learned with pleasure that the Hurst syndicate has drilled well No. 1 for the former concern to the deeper sands recently proved by the Standard Oil company in the Hunting Beach field and the well now is cemented off. The local investors are quite keen about the results.

CITY AND COUNTY TOTAL TAX RATE MAY BE $4.54

Increase of 35 Cents Over Last Year If Schools Receive No Raise

(Continued from Page 1)

tax rate must be adjusted to cover interest and bond redemption charges entailed in these bond elections.

Facts and Figures

Of the city's share in the taxes, the base of $1 will remain stationary. Mr. Harrison believes that an additional 10 cents set aside to cover bond interest and redemption charges will be reduced to 6 cents because the city has not floated any bond issues during the past fiscal year. The library board has asked for an appropriation of $39,090 which would add 20 cents more to the basic tax rate. Last year's appropriation for parks and recreation was 5 1-2 cents. The city has the authority to increase this to 30 cents. Mr. Harrison pointed out yesterday that the city council has the privilege of deciding upon this amount any time before the tax rate is made out in August. He said that should the city decide to take the maximum amount for this item, the city's share of the tax rate probably would become $1.56.

Flood control expenses likely will be reduced from 7 cents to 5 cents next year because no bonds have been floated recently for this branch of county work. Anyhow, that is the opinion of Mr. Harrison.

Rate May Be $4.54

Provided the school rate remains stationary, the total tax rate may be $4.54. This would be an increase of 35 cents over last year's rate of $4.19.

However, the increase in the assessed valuation of the district will have the effect of hitting the pocketbook of the taxpayer much harder than this increase in the tax rate, in the opinion of City Manager W. H. Reeves.

Last year's valuation was $12,477,000. It is estimated that this year's valuation will be close to $20,000,000 or $7,523,000 additional. The assessed valuation for Los Angeles county last year was $1,175,262,858.

Mr. and Mrs. Warren Hosts at Breakfast

Mr. and Mrs. George H. Warren of 640 North Maryland avenue entertained a merry party of relatives and friends at breakfast this morning. Their guests included Mr. and Mrs. Henry E. Warren of Buena Park and their house guest, Mrs. George M. Dewey of Owasso, Michigan, and Misses Eleanor and Florence Warren and Thomas Warren of Buena Park, who stopped en route to a ten days' automobile trip to Yosemite, Lake Tahoe, Yellowstone Park and points along the Canadian Rockies, with Vancouver, B. C., as their objective. Mrs. Dewey is very much enthused over Southern California and it was hinted that Mr. Dewey may resign his office as postmaster at Owasso, Mich., to become a resident of California and possibly of Glendale.

Miss Annie M'Intyre Hostess to Teachers

Miss Annie L. McIntyre, principal of the Central Avenue school, invited her corps of teachers and their husbands to her home at 718 East Harvard street, last night for a final informal social affair before the vacation time.

Those invited for the informal evening were Mr. and Mrs. Lee Emery, Mr. and Mrs. E. E. Kemp, Mr. and Mrs. Arthur Minor, Mr. and Mrs. E. E. Harwood, and Misses Janet Perkins, Alice Livsey and Elizabeth Edwards, George Flewelling and Mrs. Helen Campbell.

Miss McIntyre plans to attend the summer session at the Southern Branch of the University of California in Los Angeles.

350 CHILDREN AT FIRST BIG PARTY BY PENDROY'S

Mothers Enjoy Miniature Fashion Review and Other Events

The success of the first of a series of children's parties given yesterday afternoon in the children's department on the second floor of Pendroy's department store was manifested by the enthusiastic applause with which the 350 children and their mothers, who were present, greeted the various features of entertainment which had been planned for them. Long before 2 o'clock, the time set for the party, the little folks in their party frocks and their mothers had gathered and by the time the party began the seats were all filled and many of the "kiddies" made themselves comfortable on the velvet carpets.

Victrola music furnished the first part of the entertainment, being followed by interpretative dancing. Little Rita Keely danced "Tom, Tom, the Piper's Son," with appropriate costume and carrying a toy black pig. Mary Alice Barton, in dainty costume of rose-colored taffeta, with underskirt of blue tarlatan and lace, white lace bonnet and fan, personified "A French Doll" in her dance.

Features Fashion Review

The event which proved a delight to the children and also their mothers was the "miniature fashion review," with Rita Keely, Mary Alice Barton, Elizabeth Hoffman, Virginia Gary and Jane Green as the models displaying the children's frocks and Miss Dorothy Hague and Miss Harriet Cook displaying the junior girls' dresses. Crisp organdie, dotted swiss and voile with organide trimmings and tissue ginghams, with bonnets to match, predominated. The colors shown included lemon yellow, jade green in combination with white and yellow, canna, red, pink, white and pongee, with appliqued trimmings and silk and wool embroidery. Not only the more fancy dresses for parties, etc., but also the play time dresses for the little girl and sport dresses for the junior girl were also included in the display.

Another treat of the afternoon was the children's story told by Miss Laura Wilford Brown. Following this, orange punch was served by Miss W. Howard and Miss Capitola Knudson, and the children were given sand pails and shovels as favors. Mrs. E. C. Pendroy was assisted in entertaining by Mrs. Gladys Gary, manager of the children's department.
